Michigan, requests that an Inducement Resolution be adopted by Michigan Strategic Fund (MSF) for \$ under 1984 P.A. 270. In order to qualify your project for the possibility of tax-exempt financing, Internal Revenue Service regulations require you to obtain an inducement resolution from a governmental body, such as the MSF, before you commence the construction, reconstruction or acquisition of the project. An inducement resolution only evidences the MSF's present intent to issue bonds. It does not obligate the MSF to issue bonds.
