

# RRC Best Practice Training Series Spring 2017

**WHO:** With a focus on building capacity in local governments, we encourage you to not only send staff, but invite elected and appointed officials, board and committee members, citizen advisory panels and other key local and regional partners engaged in your community.

**WHAT:** Detailed information, examples and implementation steps for achieving a solid planning, zoning and development foundation.

**WHY:** Attending the RRC trainings signals that the community is taking proactive steps for development and investment. Completion of the training series is required for any community looking to formally participate in the RRC program. Participants who attend training sessions for all six Best Practices will receive a certificate of completion.

**COST:** Trainings are being offered at no cost, however if you sign up and cannot make it to the training, please email RRC team at [RRC@michigan.org](mailto:RRC@michigan.org) to avoid a \$50 cancellation fee. A light breakfast and lunch will be included.
