Capital Improvement Program
FY20 Guidelines

The Capital Improvement Program (CIP) is a competitive matching grant program for nonprofit arts organizations and municipalities (counties, cities, townships and villages) that provides funding assistance for the expansion, renovation or construction of arts and cultural facilities. This includes projects that establish, convert or improve facilities; provide or increase accessibility to persons with disabilities; integrate energy efficient products and technologies; or involve the purchase of equipment.

MCACA recognizes the importance of the state’s cultural assets and their role in enhancing the quality of life for Michigan’s citizens and the state’s economic vitality. CIP projects should enhance arts and cultural practices and achieve direct artistic and cultural outcomes. The program is offered annually and is not appropriate for the funding of project planning; such as feasibility studies, architectural drawings/fees, and design fees; mortgage payments; the purchase of a building, land or vehicle; nor for operational support.

Grantee Responsibilities and Requirements

HISTORICAL BUILDINGS AND SITES
If your project involves a building 50 years of age or older, applicants should check if the property is listed on the National Register of Historic Places website at https://www.nps.gov/subjects/nationalregister/index.htm or https://npgallery.nps.gov/nrhp.

From the Federal perspective (the National Register of Historic Places is part of the National Park Service) a property owner may alter, renovate, or enhance their property as long as there are no Federal monies attached to the property. If a building is listed on the National Register, it is at the discretion of the applicant organization to adhere to historic preservation standards.

The Michigan State Historic Preservation Office (SHPO) is a state agency that oversees historic preservation efforts in the state of Michigan. There may be state or local preservation laws that the owner should be aware of before they undertake a project with a historic property.

For additional information, please visit the website http://www.michigan.gov/mshda/.

FUNDING
Applicants will match grants on a minimum 1:1 cash and/or new manufactured product match (in-kind). New manufactured products as a match must be verifiable, tracked and documented, from a legitimate business or contractor, preferably from Michigan. In-kind labor is not appropriate. The amount requested cannot exceed 50 percent of the total project costs. Funds used as match for one Council grant cannot be considered as a match for other Council grants.

Note: budget expenses should ONLY include construction/renovation costs and reasonable administration of the specific capital improvement project.
*Programming and other administrative costs are not appropriate expenses.
*In-kind labor is not an appropriate expense and cannot be applied as matching funds

ACCESSIBILITY
MCACA strives to make the arts accessible to all people and this is a priority of its funding programs. Funded organizations agree to make every attempt to ensure that programs are accessible to persons with disabilities. According to state and federal law, every publicly funded organization must place itself in the position of being able to provide accommodations when persons with disabilities make requests for services. For a list of resources on accessibility, visit http://arts.gov/accessibility/accessibility-resources/nea-office-accessibility

UNDERSERVED COUNTIES
It is the Council’s long-term goal to make quality arts and cultural programs and services available to all 83 counties in the State of Michigan. In order to accomplish that, MCACA has identified underserved counties (the full list can be found on our website http://www.michiganbusiness.org/community/council-arts-cultural-affairs/).
In addition, underserved communities are defined as one in which people lack access to arts programs, services or resources due to geography, economic conditions, cultural background, sociopolitical circumstances, disability, age or other demonstrable factors. The term “community” can refer to a group of people with common heritage or characteristics, whether or not living in the same place.

ELIGIBILITY
Eligibility is limited to art and cultural nonprofit organizations, and municipalities (city, county, township, or village). Applicants must be incorporated in the State of Michigan. Federal tax-exempt 501(c)(3) or 501(c)(2), for projects owned or operated by agreement with nonprofit organizations, status is required by the applicant for projects outside the county, city, village or township operating authority.

Auxiliary support organizations or non-arts & culture nonprofits (such as, “friends of” xyz, neighborhood associations, economic development organizations, etc.) are not eligible to receive funding in the Capital Improvement grant program. Federal and State of Michigan agencies, divisions or departments are not eligible to apply for funding from MCACA.

Applicants must also ensure that no part of net earnings benefit a private individual. Donations to the organizations must be allowable as a charitable contribution under section 170c of the Internal Revenue Code of 1954 as amended. Organizations having status under Section 501(c)(3) of the Internal Revenue Code and local Units of Government, meet this criteria.

Applicants that have unmet obligations on current grant contracts, such as overdue or incomplete reports or other significant problem, are not eligible to apply for future funding. If any applicant whose application is pending, fails to meet MCACA requirements on a current contract, that pending application will be removed from the review process. If any applicant should fail to meet MCACA requirements on a current grant, following the review process and Council approval on a future application, the newly approved grant will be rescinded.

Projects involving the renovation of real or personal property require the submission of either proof of ownership, option to purchase, or long-term lease, with the application. The certification will include an option clause protecting against a change in purchase price should the grant request be successful.

Also, there are certain expenses that may occur during the project year that should not appear on the itemization. CIP funding may not be used for expenses such as: costs involved in the start-up of a new organization, costs incurred prior to the grant starting date, indirect costs for the handling/management of grant funds, awards or cash prizes, fund-raising events, reception costs, out of state travel, etc. See application instructions for complete details.

Grantees must sign a grant agreement detailing terms for the use of Council funds. Please note that the grant agreement will detail the scope of work and the payment schedule.

VETERANS AFFAIRS
Veterans provide our workforce with a high-level skill set built through brave service to America. They bring the advantages of being immersed in a training environment, and their technical skills, strengths in strategic thinking, and versatility are just a few of the very tangible talents that make them valuable to any employer.

The arts are also a powerful, therapeutic tool in the healing process for many combat veterans reintegrating back into society and transitioning back into civilian life.

Therefore the Council encourages organizations to provide veterans of all eras and all branches of the military with opportunities in the arts. Providing both a foundation for their work and freedom to pursue it as they see fit, is the best means to bringing quality work forward while maintaining assistance to veterans and artists.
The Fine Print

Receipt of state and federal grants carries with it certain obligations and responsibilities. By submitting a Michigan Council for Arts and Cultural Affairs (MCACA) grant application, applicants are affirming that they are familiar with the requirements of both MCACA and the National Endowment for the Arts (NEA), and that they will comply with those requirements.

Since MCACA receives funding from the NEA (CFDA 45.025), organizations receiving funding from the MCACA must, in turn, comply with the requirements outlined in the NEA’s General Terms and Conditions https://www.arts.gov/sites/default/files/2015-general-terms-and-conditions-for-partnership.pdf. The Grantee shall otherwise be in compliance at all times with all applicable federal laws, regulations, rules and orders including, but not limited to Title VI of the Civil Rights Act of 1964, 42 USC 2000d et seq.; Executive Order 13166; Title IX of the Education Amendments of 1972, 20 USC 1681 et seq.; Section 504 of the Rehabilitation Act of 1973, 29 USC 701 et seq.; the Age Discrimination Act of 1975, 42 USC 6101 et seq.; the National Environmental Policy Act (NEPA) of 1969, 42 USC 4321 et seq.; the National Historic Preservation Act (NHPA) of 1966, 16 USC 470 et seq.; the Drug Free Workplace Act of 1988, 41 USC 701 et seq.; Lobbying restrictions, 18 USC 1913, 2 CFR 200.450, and 31 USC 1352; Davis-Bacon and Related Acts; the Native American Graves Protection and Repatriation Act of 1990, 25 USC 3001 et seq.; the U.S. Constitution Education Program, P.L. 108-447, Division J, Sec. 111(b); and the prohibition on funding to ACORN, P.L. 111-88, Sec. 427.”

Grantees must assure the Council that professional performers and/or related or supporting personnel employed in projects funded by the Council shall not receive less than the prevailing minimum compensation as determined by the Secretary of Labor. Labor standards set out in Part 505 (29CFR) “Labor Standards on Projects or Productions Assisted by Grants from the National Endowment for the Arts.” In addition, grantees must assure the Council that no part of projects funded by the Council will be performed or engaged in under working conditions which are unsanitary or hazardous or dangerous to the health and safety of employees engaged in such projects.
Consistent with Public Law 101-512, when purchasing equipment and products under a Council grant, grantees are encouraged to purchase American-made equipment and products.

Grantees are required to comply with requirements regarding debarment and suspension in Subpart C of 2 CFR 180, as adopted by the National Endowment for the Arts in 2 CFR 32.3254. Grantees are required to execute projects and/or productions in accordance with the above noted requirements, certifying that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Grantees are prohibited from conducting general political lobbying, as defined in relevant statutes, regulations and OMB circular within a Council funded project.

Travel outside the United States, its territories, Mexico and Canada not identified in the grant application must be specifically approved in writing by the Council before travel is undertaken. Such travel, if approved, must comply with applicable state and federal regulations.

According to section 11 of the Grant Agreement, MCACA Council support must receive credit and be included in all publicity, media materials, on your website and during each broadcast promotion of the activity. Capital Improvement Program-specific grant support credit should read: “This activity is supported in part by the Michigan Council for Arts and Cultural Affairs.”

Grantees must submit, in a Council required format, a Final Report. The final report must include a narrative summary including outcomes, methods/examples of MCACA acknowledgment and promotion, detailed financial itemization, and examples of project specific publicity materials (i.e. publication materials, photographs and news stories). Selected grantees may also be required to submit an interim report.

Grantees are required to keep on file and make available upon request the following support documentation: A list of dates and amounts of all grant payments received; documentation of all expenditures made using grant funds and matching funds, including copies of paid invoices, receipts, timesheets, payroll records, and tax withholding reports. Documentation of in-kind donations should include volunteer work schedules, copies of receipts given to donors for in-kind donations, an explanation of how the value of each donation was determined, or other supporting documentation.
Capital Improvement Program Review Criteria

In order to determine the appropriateness of state support to an applicant’s project, review criteria is used in two ways: First, to assist the applicant in preparing the grant application narrative by establishing, through the criteria, how panel reviewers will judge the application. Second, to assist reviewers by outlining for them what MCACA expects from a successful applicant and weighting each criteria based on Council goals and priorities. Panel reviewers use this criteria to score applications.

Each eligible application submitted to the MCACA Capital Improvement Program is reviewed and scored by a conflict-free panel of professional peers. The panel review is open to the public for observation via telephone, webcast, or in-person attendance. Applications are scored on a 100 point scale, and reviewed according to the following evaluation criteria:

- Program Impact – 35 points
- Planning & Implementation – 35 points
- Additional Considerations – 20 points
- Supplemental Material – 10 points

Following the panel meeting, the Governor appointed Council members will approve a funding formula that takes into consideration the panel score, number of eligible applicants and available funds to determine grant awards. The Council may also consider geography or other policy-driven factors in the grant-making process.

For the proposal’s Narrative, refer to the Review Criteria below as an outline and guide to describe the FY20 activities you wish MCACA to support. Address each Review Criteria in order. Please note, panelists score the application based on the completeness of your answers to each Review Criteria, as well as, adherence to the guidelines. Please be mindful that some criteria are worth more points than others.

Address the Review Criteria in order. Panelists score an application based on the completeness of your answers to each review criteria, and some criteria are worth more points than others. Be sure to provide an outline/timeline in the narrative for your FY20 activities.
