What is required in each section of the final report:

“GENERAL” Tab:

Information in this section will be auto filled from your original application. Review the information to ensure that it is still correct. If any of this info is incorrect, please fill out a *Change of Grant* form and send it to MACC so contact data can be updated. You cannot move forward with the final report until this info is correct. If everything is correct, click “Save Draft” at the bottom of the screen and move on.

“REPORT DETAILS” Tab:

Review the information under “Project” to be sure the project description is correct. Then move on to the “Participation Summary” section. Work your way through each question. Instructions are explained under each question. When you’ve completed each question, click “Save Draft” at the bottom of the screen and move on.

“QUESTIONS & ATTACHMENTS” Tab:

Answer the questions in this section with as much details as possible. This is where you’ll tell us what you did for your project and how it went. Include links to images, videos etc to show us how your project went and how you gave MACC credit for your project in the Supplemental Materials section. All documents attached should be in PDF format. When you’ve completed each question, click “Save Draft” at the bottom of the screen and move on.

“CERTIFICATION” Tab:

Once you have completed the final report you will need to send the Final Report Certification by clicking on “Send Certification”. A DocuSign email will be sent to the Project Director to complete.
