I. CALL TO ORDER & ROLL CALL

Ms. Bright McClanahan called the meeting to order at 10:00 a.m. The meeting was held virtually via Microsoft Teams. She expressed thanks to the Board for their continued support and patience over the last several months as the Board continues to meet virtually due to the COVID-19 pandemic.

Ms. Bright McClanahan introduced Katelyn Wilcox Surmann, MSF Board Liaison, who reminded members to identify their physical location by stating the county, city, township, or village and state from which he or she is attending the meeting remotely, as required under the Open Meetings Act. Ms. Wilcox Surmann then conducted the attendance roll call.

II. PUBLIC COMMENTS

Ms. Wilcox Surmann explained the process for members of the public to participate. She introduced the following individuals before opening up the public comments for others.

- Awenate Cobbina, Chair of the Michigan Economic Development Corporation (MEDC) Executive Committee, provided an update on the status of the national search to fill the role of CEO of the MEDC. Mark Burton stepped down from the role officially on March 12. The search is progressing on schedule and as planned. In order to best fill the leadership void until a new CEO is named, recently the MEDC Executive Committee unanimously voted to have its Chairman and Vice-Chairman jointly serve in that capacity. Mr. Cobbina and D. Jeffrey Noel will be offering guidance, serving in the formal capacity of CEO, and approving all necessary actions to continue to keep the MEDC fully operational. Mr. Noel will serve as the official CEO, as legally required, with decisions and approvals being concurrently executed with Mr. Cobbina.

- Thye Fischman on behalf of Representative Julie Calley, spoke in support of the Middleville Main, LLC project in Middleville.

The following individuals spoke in support of the Middle Main, LLC project in Middleville.

- Patricia Rayl, Village Manager, Village of Middleville
- Katherine Schmidt, Director, Middleville Downtown Development Authority
- Jennifer Heinzman, President & CEO, Barry County Chamber and Economic Development Alliance
- Nichole Lyke, Economic Development Coordinator, Barry County Chamber and Economic Development Alliance
Kevin Smith, Trustee, Village of Middleville
Bonnie Gettys, President & CEO, Barry Community Foundation
Matt Palmer, Assistant Plant Controller, Bradford White Corporation

The following individuals encouraged the Board to defer action on the proposed Brownfield Guidelines to allow an opportunity for broader discussion.

- Jill Ferrari, Founding Partner, Renovare Development, Detroit
- Anne Giroux, Executive Director, Marquette County Land Bank Authority and President, Michigan Association of Land Banks
- Bob Filka, CEO, Home Builders Association of Michigan
- Sandra Pearson, President & CEO, Habitat for Humanity of Michigan
- Justin Horvath, President & CEO, Shiawassee Economic Development Partnership and Secretary, Michigan Economic Developers Association Board of Directors
- Eric Schertzing, Ingham County Treasurer and Ingham County Lank Bank Authority Member
- Richard Barr, Partner, Honigman LLP

Gary McDowell, Director, Michigan Department of Agriculture & Rural Development, spoke in support of the E.W. Grobbel Sons, Inc. project in Detroit.

III. COMMUNICATIONS
Ms. Wilcox Surmann advised Board members that letters were received from Senator Sean McCann and Representative Julie Rogers in support of the 234 West Cedar, LLC and Park@Cedar, LLC - 400 Rose Phase 2 project in Kalamazoo and from Representative Julie Calley in support of the Middleville Main, LLC project in Middleville. A letter also was received from Shannon Morgan and Jill Ferrari of Renovare Development, a woman-owned social impact real estate development firm in Detroit, requesting the Board defer approval of the proposed Brownfield Guidelines and encouraged the criteria be expanded to match a national housing objective, greater access to tax increment financing (TIF) and include broader land bank participation. The letters are attached to the minutes.

Paul Gentilozzi joined the meeting at 10:16 a.m.

Dear Ms. Hoag,

This is to advise that I am recusing myself from voting and excuse myself during the discussion of the following items on the Michigan Strategic Fund Board Meeting Agenda on Tuesday, March 23, 2021.

- University Early-Stage Proof of Concept – ADVANCE Fund

The reason for my recusal is that I have a potential conflict of interest with respect to the parties involved in the Agenda item.

Sincerely,

Dear Mr. Noel:

I write to express my support for the 400 Rose Phase 2 Project’s request for a Michigan Community Revitalization Program loan and the City of Kalamazoo Brownfield Redevelopment Authority’s request for state tax capture. As a former Executive Director of the Vine Neighborhood Association and the current state Senator for Kalamazoo County, I am excited to support projects such as 400 Rose apartments which are a part of the continued revitalization of the Vine Neighborhood and further economic development for the wider Kalamazoo area.

The 400 Rose Phase 2 Project includes a new four-story mixed-use building which will feature 101 apartments, a small commercial space, 115 underground parking spaces, and 12 at-grade spaces over 1.35-acre site. Approximately 10% of the apartment units will be designated as workforce housing for households making 80% to 120% of the area median income.

The addition of truly affordable housing would help Kalamazoo meet the needs of its community and provide a critical component of equitable development. The 400 Rose apartments would provide accessible and affordable housing for residents within walking distance of downtown shopping, dining, and entertainment, and top employers in the area such as Bronson Hospital, Zoetis, and Western Michigan University Stryker School of Medicine.

I thank you for your time and urge your support of this request.

Sincerely,

Sean McCann
State Senator

Dear Chairman Noel,

Please accept this letter of support for the 400 Rose Phase 2 Project in Kalamazoo and the request from the City of Kalamazoo Brownfield Redevelopment Authority for state tax capture. This project is a significant investment in the Kalamazoo community and will also help alleviate brownfield conditions.

As a former member of the Kalamazoo County Brownfield Redevelopment Authority Board, I am familiar with brownfields and appreciate the complexity these projects often take on.

The new four-story mixed-use building will include 101 apartments, a small commercial space, and necessary parking. It will also include units designated as workforce housing for households making 80 to 120 percent of the area median income. This project will add much-needed housing near the primary downtown retail corridor and will be within walking distance of employers like Bronson Hospital, Zoetis, and Western Michigan University Stryker School of Medicine. It will also help improve public spaces like sidewalks and landscaping enhancements.

As this multi-million-dollar state and local revitalization investment continues, further jobs and housing opportunities will be created in the Kalamazoo community. As such, I request the support of the Michigan Strategic Fund Board for this project. If you have any questions, I can be reached at 517-373-1785.

Sincerely,

Julie M. Rogers

Chairperson Jeff Noel
Michigan Strategic Fund

Dear MEDC Chairperson:

I am writing to express support for Middleville Main LLC’s application for the Michigan Community Revitalization Program loan. The essential loan funds are fundamental as the Middleville Village Council supports growth and revitalization in their community. The performance-based loan will create jobs and result in more than $2.8 million in total capital investment.

I urge the Michigan Strategic Fund to support the Middleville Village Council to improve their community and support the Middleville Main LLC project. The project revitalization plans to re-develop the vacant lot located at 112 East Main Street, once home to the Middleville Hotel. The new development will consist of a multi-purpose, mixed-use facility that includes space for new storefronts and downtown apartments. The innovative space will draw talent and business that will strengthen Middleville for generations to come.

The project will improve the village infrastructure by connecting the commercial corridor both functionally and visually. Local organizations and taxpayers support the project through a $20,000 contribution from the Middleville Downtown Development Authority and a $29,205 Commercial Redevelopment tax abatement. The project’s development team has an extensive history of successful projects, including Grand Rapids, Cascade, South Haven, and Kentwood.

Given the opportunity, the Michigan Community Revitalization Program loan will support Middleville Main LLC’s in making downtown Middleville a place to do business and raise a family. The addition of this space will encourage families to place their roots right here in our District and make Southwest Michigan their home. Thank you for considering Middleville Main LLC’s application for the Michigan Community Revitalization Program loan. Along with my constituents, I sincerely appreciate the consideration of the board.

Sincerely,

Regarding: MSF Brownfield Guidelines

Dear MSF Board Members:

Renovare Development is woman-owned social impact real estate development firm that focuses on transformational projects throughout Michigan. Our Founding Partners have extensive backgrounds in mixed-use redevelopment, mixed-income and affordable housing, and brownfield redevelopment with over fifty years of combined experience. Our founders sit on numerous statewide and national boards, including the National Brownfield Coalition Board and were the recipient of the 2019 National Lifetime Achievement Award for Redevelopment in Brownfield on behalf of the US EPA and The Center for Creative Land Recycling.

We are writing to request the board defer the approval of the currently proposed MSF Brownfield Guidelines. Michigan has an opportunity to expand our guidelines to match the long-term objectives of the National Regeneration Strategy by increasing the competitiveness of our cities and towns, expanding the brownfield toolkit, and encouraging more collaboration with the private sector and local governments by creating broader partnerships with the state agencies. This strategy should include greater access to TIF and land banking tools. A report recently released through the Lincoln Institute of Land Policy provides guidance on how cities, towns, counties, and states can come together to solve our housing and development challenges, which includes increasing tools for brownfield redevelopment and deeper collaboration with land banks/land trusts to create more creative financing options.

The nation is facing a national affordable housing crisis that has grown more urgent under the stress of COVID-19. Michigan’s housing inventory is down 56% in comparison to March of 2020. Rising construction costs, rising income inequality, impacts on global investment capital, stagnant incomes, and lack of innovation in the construction sector have all deepened the crisis. Our communities are facing challenges with economic growth, as they have businesses that need to expand but do not have access to housing and have limited access to resources and tools for development. Communities face population loss and our most vulnerable citizens will be further displaced without the expansion of for-sale and rental housing stock.
Challenges demand collaboration. While Michigan works on the first Statewide Housing Policy, we have the opportunity to create solutions now. We once again ask the Board to defer approval, expand the criteria to match national objective, and amend Appendix B to encourage a broader land bank participation.

Thank you for your time and consideration.

Sincerely,

Shannon Morgan
