SECTION I STATEMENT OF WORK

A) PURPOSE

The Act authorizes the Michigan Strategic Fund (“MSF”) to designate certain Brownfield plans as transformational Brownfield Plans (“TBPs”) under the Brownfield Redevelopment Financing Act, Public Act 381 of 1996, MCL 125.2651 et seq. (“Act 381”). This affords developers the opportunity to capture a portion of incremental taxes generated from large-scale projects for a specific period of time.

A TBP is defined under Act 381 as a Brownfield Plan that, among other requirements, will have a transformational impact on local economic development and community revitalization based on the extent of brownfield redevelopment and growth in population, commercial activity, and employment that will result from the plan. Program Guidelines and a link to the enabling legislation can be found at <https://www.miplace.org/>.

Sales and Use Tax Capture is defined as Funds equal to the amount for each calendar year by which the sales tax and use tax collected from persons within the eligible property exceeds the initial sales and use tax value. For persons with multiple business location, the applicable amount of sales tax and use tax is only the sales tax and use tax collections attributable to the business location within the eligible property.

The MSF is the project-authorizing entity and can approve no more than five TBPs in a calendar year statewide.¹ Section 14(a) of Act 381 requires the MSF to use an independent, third party to conduct a sales and use tax analysis of any TBP proposing to capture sales tax and use tax collected from persons within the eligible property. The MEDC is seeking proposals from qualified Bidders to perform the required sales and use tax analysis.

¹ In the event the MSF approves fewer than five plans in a calendar year, the unused approval authority shall carry forward into future calendar years and remain available until December 31, 2027.

SECTION II PROPOSAL FORMAT

To be considered, each Bidder must submit a COMPLETE proposal in response to this RFP using the format specified. Bidder's proposal must be submitted in the format outlined below. There should be no attachments, enclosures, or exhibits other than those required in the RFP or considered by the Bidder to be essential to a complete understanding of the proposal. Each section of the proposal should be clearly identified with appropriate headings:

A) TECHNICAL PROPOSAL

1. Business Organization and History – State the full name, address, and phone and facsimile number of your organization and, if applicable, the branch office or other subordinate element that will perform, or assist in performing, the work hereunder. Indicate whether it operates as an individual, partnership, or corporation; if as a corporation, include the state in which it is incorporated. If appropriate, the proposal must state whether the organization is licensed to operate in the State of Michigan. Include history of the firm(s), including areas of specialization/expertise, CEO, founding year, location(s), number of full-time employees, and other such relevant information.
2. Statement of the Problem – State in succinct terms your understanding of the problem(s) presented by this RFP.
3. Proposed Scope of Work
Each Proposal should include a proposed scope of work that is detailed and includes a reasonable methodology for assessment of the proposed sales and use tax assumptions and capture. Team needs to be able to accommodate up to three project reviews at any given time.
4. Timeline – Proposed per project start-to-finish timeline, with milestones.
5. Prior Experience – Describe the prior experience of your organization which you consider relevant to the successful accomplishment of the project defined in this RFP. Include sufficient detail to demonstrate the relevance of such experience. Proposals submitted should include, in this Section, descriptions of qualifying experience to include project descriptions, costs, and starting and completion dates of projects successfully completed; also include the name, address, and phone number of the responsible official of the client organization who may be contacted.

The MEDC may evaluate the Bidder's prior performance with the MEDC, and prior performance information may be a factor in the award decision.

6. Project Staffing – The Bidder must be able to staff a project team which possesses talent and expertise in the field of the requirements of this RFP. Identify a Project Manager and staff assigned by name and title. Include biographies, experience and any other appropriate information regarding the work team’s qualification for this initiative. Indicate staff turnover rates. Show where the project team will be physically located during the time they are engaged in the work. Indicate which of these individuals you consider key to the successful completion of the work. Indicate the amount of dedicated management time for the Bidder’s Project Manager and other key individuals. Do not include any financials for the contemplated work within the Technical Proposal. Resumes of qualifications should be supplied for proposed project personnel.

Please Note: The MEDC further reserves the right to interview the key personnel assigned by the Contractor to this project and to recommend reassignment of personnel deemed unsatisfactory.

7. Subcontractors – List here all subcontractors that will be engaged to accomplish the project described in this RFP; include firm name and address, contact person and complete description of work to be subcontracted. Include descriptive information concerning subcontractor’s organization and abilities. Also, the information provided in response to A-5, above, should include detailed information about each potential subcontractor.
8. Bidder’s Authorized Expediter – Include the name and telephone number of person(s) in your organization authorized to expedite any proposed contract with the MEDC.
9. Additional Information and Comments – Include any other information that is believed to be pertinent, but not specifically asked for elsewhere.

B) PRICE PROPOSAL

The MEDC anticipates sending projects to the selected Bidder(s) on a deal-by-deal basis throughout the term of the agreement. To that end, the MEDC is seeking Price Proposals that demonstrate the price Bidder will charge to conduct the financial and underwriting analysis on a per-TBP project basis. Bidders may present their pricing on a sliding scale to account for the differences in scope and total tax capture of anticipated TBP projects. Attach a schedule of all expenses, including any one-time expenses, covering each of the services and activities identified in your proposal.

The MEDC is exempt from federal excise tax, and state and local sales taxes. The Price Proposal should not include taxes.

THE PRICING PROPOSAL MUST BE IDENTIFIED AND SENT SEPARATELY FROM THE TECHNICAL PORTION OF YOUR PROPOSAL ACCORDING TO THE INSTRUCTIONS OF THIS RFP. Separately sealed pricing proposals will remain sealed until the JEC has completed evaluation of the technical proposals.

Bidders please note: Rates quoted in response to this RFP are firm for the duration of the Contract; no price increase will be permitted.

C) PROPOSAL SUBMITTAL

Submit separately marked electronic versions of each of your Technical Proposal and Price Proposal to the MEDC via email to contractsandgrants@michigan.org not later than **3:00 p.m. on September 1, 2023**. The MEDC has no obligation to consider any proposal that is not timely received. **Proposals will not be accepted via U.S. Mail or any other delivery method.**

BIDDERS ARE RESPONSIBLE FOR ASSURING THAT THE FOLLOWING IDENTIFYING INFORMATION APPEARS IN THE SUBJECT LINE OF YOUR EMAIL: "*RFP-CASE-386804 Technical Proposal*" and "*RFP-CASE-386804 Price Proposal*" with *Company Name*, and "*message 1 of 3*" as appropriate if the bid consists of multiple emails.

**SECTION III
RFP PROCESS AND TERMS AND CONDITIONS**

B) PROPOSALS

To be considered, Bidders must submit a complete response to this RFP, using the format provided in Section II of this RFP, by **3:00 p.m. on September 1, 2023**. No other distribution of proposals is to be made by the Bidder.

The Technical Proposal must be **signed physically or electronically** by an official of the Bidder authorized to bind the Bidder to its provisions. The rates quoted in the Price Proposal must remain firm for the period indicated in Section II.

C) ECONOMY OF PREPARATION

Each proposal should be prepared simply and economically, providing a straightforward, concise description of the Bidder's ability to meet the requirements of the RFP. Emphasis should be on completeness and clarity of content.

D) SELECTION CRITERIA

Responses to this RFP will be evaluated based upon a three-step selection process. The proposal must address the requirements described in Section II of this RFP.

The first step is an evaluation of which proposals satisfactorily meet the requirements of this RFP as stated in Section II.

1) Step I – Initial evaluation for compliance

a) *Proposal Content* – Contract Services will screen the proposals for technical compliance to include but not be limited to:

- Timely submission of the proposal.
- Technical Proposal and Price Proposal clearly identified and sent separately.
- Proposal signed physically or electronically by an official of the Bidder authorized to bind the Bidder to its provisions.
- Proposals satisfy the form and content requirements of this RFP.

2) Step II – Criteria for Satisfactory Technical Proposals

- a.) During the second step of the selection process, proposals will be considered by a Joint Evaluation Committee (the “JEC”) comprised of individuals selected by the MEDC. Only those proposals that satisfy the requirements described in this RFP, as determined in the sole discretion of the JEC, will be considered for evaluation in Step II. The JEC reserves the right to request additional information from any Bidder.
- b.) *Competence, Experience and Staffing Capacity* – The proposal should indicate the ability of the Bidder to meet the requirements of this RFP, especially the time constraints, quality, and recent projects similar to that described in this RFP. The proposal should indicate the competence of the personnel whom the Bidder intends to assign to the project, including education and experience, with particular reference to experience on projects similar to that described in this RFP and qualifications of Bidder’s Project Manager and the Project Manager’s dedicated management time, as well as that of other key personnel working on this project.

- d.) Only those proposals receiving a score of **80 points or more** in the technical proposal evaluation will have their pricing evaluated to be considered for award.

3) Step III – Criteria for Satisfactory Price Proposal

- a.) Based on what is in the best interest of the MEDC, the MEDC will award the Contract considering value, quality, and the ability to meet the objectives of this RFP, of proposals that were approved as a result of this two-step evaluation process.
- b.) The MEDC reserves the right to consider economic impact on the State of Michigan when evaluating proposal pricing. This includes, but is not limited to: job creation, job retention, tax revenue implications, and other economic considerations.

- c.) The award recommendation will be made to the responsive and responsible Bidder who offers the best value to the MEDC and the State of Michigan. Best value will be determined by the Bidder meeting the minimum point threshold and offering the *best proposal that meets the objectives of the RFP*.
- d.) The MEDC reserves the right to award to another “best value” contractor in case the original Awardee does not accept the award.

E) BIDDERS COSTS

The MEDC is not liable for any costs incurred by any Bidder prior to signing of the Contract by all parties.

F) TAXES

The MEDC may refuse to award a contract to any Bidder who has failed to pay any applicable taxes or if the Bidder has an outstanding debt to the State of Michigan or the MEDC.

Except as otherwise disclosed in an exhibit to the Proposal, Bidder certifies that all applicable taxes are paid as of the date the Bidder’s Proposal was submitted to the MEDC and the Bidder owes no outstanding debt to the State of Michigan or the MEDC.

G) CONFLICT OF INTEREST

The Bidder must disclose, in an exhibit to the proposal, any possible conflicts of interest that may result from the award of the Contract or the services provided under the Contract.

Except as otherwise disclosed in the proposal, the Bidder affirms that to the best of its knowledge there exists no actual or potential conflict between the Bidder, the Bidder’s project manager(s) or its family’s business or financial interests (“Interests”) and the services provided under the Contract. In the event of any change in either Interests or the services provided under the Contract, the Bidder will inform the MEDC regarding possible conflicts of interest which may arise as a result of such change and agrees that all conflicts shall be resolved to the MEDC’s satisfaction or the Bidder may be disqualified from consideration under this RFP. As used in this Section, “conflict of interest” shall include, but not be limited to, the following:

- 1) Giving or offering a gratuity, kickback, money, gift, or anything of value to a MEDC official, officer, or employee with the intent of receiving a contract from the MEDC or favorable treatment under a contract;
- 2) Having or acquiring at any point during the RFP process or during the term of the Contract, any contractual, financial, business or other interest, direct or indirect, that would conflict in any manner or degree with Bidder’s performance of its duties and responsibilities to the MEDC under the Contract or otherwise create the appearance of impropriety with respect to the award or performance of the Contract; or
- 3) Currently in possession of or accepting during the RFP process or the term of the Contract anything of value based on an understanding that the actions of the Bidder or its affiliates or Interests on behalf of the MEDC will be influenced.

H) BREACH OF CONTRACT

Except as otherwise disclosed in an exhibit to Bidder's proposal, Bidder is not in material default or breach of any contract or agreement that it may have with the State of Michigan or any of its departments, commissions, boards or agencies, or any other public body in the State of Michigan. Further, Bidder represents and warrants that it has not been a party to any contract with the State of Michigan or any public body that was terminated within the previous five (5) years because the Bidder failed to perform or otherwise breached an obligation of such contract.

I) DISCLOSURE OF LITIGATION

Except as otherwise disclosed in an exhibit to Bidder's proposal, there is no criminal litigation, investigations or proceedings involving the Bidder (and each subcontractor, if subcontractors will be used to provide the goods/services requested under this RFP) or any of the Bidder's officers or directors or any litigation or proceedings under the Sarbanes-Oxley Act. In addition, Bidders must disclose in the exhibit requested under this Section of the RFP any civil litigation, arbitration or proceeding to which the Bidder (or, to the extent Bidder is aware, any subcontractor) is a party and which involves: (1) disputes that might reasonably be expected to adversely affect the viability or financial stability of the Bidder (or subcontractor); or (2) a claim or written allegation of fraud or breach of contract against Bidder (or, to the extent Bidder is aware, subcontractor), by a governmental or public entity arising out of their business dealings with governmental or public entities. Details of any settlements which Bidder is prevented from disclosing under the terms of the settlement may be annotated as such.

J) FALSE INFORMATION

If the MEDC determines that a Bidder purposefully or willfully submitted false information in response to this RFP, the Bidder will not be considered for an award and any resulting Contract that may have been executed may be terminated.

K) DISCLOSURE

All Bidders should be aware that proposals submitted to the MEDC in response to this RFP may be subject to disclosure under the provisions of Public Act 442 of 1976, as amended, known as the Freedom of Information Act ("FOIA"). Accordingly, confidential information should be excluded from Bidders' proposals. Bidders, however, are encouraged to provide sufficient information to enable the MEDC to determine the Bidder's qualifications and to understand or identify areas where confidential information exists and could be provided. The FOIA also provides for the complete disclosure of the Contract and any attachments or exhibits thereto.

L) PRICES HELD FIRM

LENGTH OF TIME PRICES ARE TO BE HELD FIRM: All rates quoted in Bidder's response to this RFP will be firm for the duration of the Contract. No price changes will be permitted during the term of the agreement unless mutually agreed upon by the parties. IN THE EVENT THAT PROPOSED CHANGES ARE NOT ACCEPTABLE TO THE MEDC, THE CONTRACT SHALL BE TERMINATED AND THE MODIFIED CONTRACT SHALL BE SUBJECT TO COMPETITIVE BIDDING.

M) BEST AND FINAL OFFER

At any time during the evaluation process, the JEC may request a Best and Final Offer (“BAFO”) from any Bidder. This will be the final opportunity for a Bidder to provide a revised proposal. The scope of the changes allowed in the BAFO will be published as part of the issuance of the BAFO request.

Bidders are cautioned to propose the best possible offer at the outset of the process, as there is no guarantee that any Bidder will be allowed an opportunity to engage in Pricing Negotiations or requested to submit a Best and Final Offer.

N) CLARIFICATION/CHANGES IN THE RFP

Changes made to the RFP as the result of responses made to qualifying questions or concerns will be posted on <https://www.michiganbusiness.org/386804>. Applicants are encouraged to regularly check this site for changes or other information related to the RFP.

O) ELECTRONIC BID RECEIPT

ELECTRONIC VERSIONS OF EACH OF YOUR TECHNICAL AND PRICE PROPOSALS SENT SEPARATELY MUST BE RECEIVED AND TIME-STAMPED BY THE MEDC TO contractsandgrants@michigan.org, ON OR BEFORE **3:00 p.m. on September 1, 2023**. Bidders are responsible for timely submission of their proposal. THE MEDC HAS NO OBLIGATION TO CONSIDER ANY PROPOSAL THAT IS NOT RECEIVED BY THE APPOINTED TIME.

P) RESERVATION OF MEDC DISCRETION

Notwithstanding any other statement in this RFP, the MEDC reserves the right to:

- 1) reject any and all proposals;
- 2) waive any errors or irregularities in the bidding process or in any proposal;
- 3) rebid the project;
- 4) negotiate with any Bidder for a reduced price, or for an increased price to include any alternates that the Bidder may propose;
- 5) reduce the scope of the project, and rebid or negotiate with any Bidder regarding the revised project; or
- 6) defer or abandon the project.

The MEDC’s decision is final and not subject to appeal. Any attempt by an applicant, collaborating entity, or other party of interest to the project to influence the awards process, to appeal, and/or take any action, including, but not limited to, legal action, regarding the proposal or awards process in general may result in the applicant’s disqualification and elimination from the award process.

Q) JURISDICTION

In the event that there are conflicts concerning this RFP that proceed to court, jurisdiction will be in a Michigan court of law. Nothing in this RFP shall be construed to limit the rights and remedies of the MEDC that are otherwise available.

R) ADDITIONAL CERTIFICATION

Pursuant to Public Act 517 of 2012, an Iran linked business is not eligible to submit a bid on a request for proposal, with a public entity.

Bidders must include the following certification in the technical proposal:

“Bidder certifies that it is not an Iran-linked business as defined in MCL 129.312.”

Failure to submit this certification will result in disqualification from consideration.

Further, the MEDC will consider the selected Bidder to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the Contract.

Each person signing the proposal certifies that she/he:

A proposal will not be considered for award if this Attachment B has been altered so as to delete or modify 1 or 3, above. If 2, above, has been modified or deleted, the proposal will not be considered for award unless the Bidder provides, with this Attachment B, a signed statement which sets forth, in detail, the circumstances of the disclosure and the MEDC determines that such disclosure was not made for the purpose of restricting competition.
