Dear Fund Manager,

This is to advise that I am recusing myself from voting and excuse myself during the discussion of the following item on the Michigan Strategic Fund Board Meeting Agenda on Tuesday, June 28, 2022.

- Bagley + 16th Item of Business

The reason for my recusal is that I have a potential conflict of interest with respect to the grantee, The Detroit Economic Growth Corporation (DEC), and with my involvement as a Board Member of the Detroit Economic Growth Corporation.

Sincerely,

RE: Letter of support for the 50 Capital Ave Development Corporation

Dear Chairperson Messer:

I am pleased to place my full support behind 50 Capital Ave Development Corporation’s project. I understand that the Michigan Strategic Fund board is considering a request from 50 Capital Ave Development Corporation for approval of a $7.5 million Michigan Community Revitalization Program performance-based loan participation award to support the community development project in Battle Creek.

My office has worked alongside Battle Creek Unlimited and the 50 Capital Ave Development Corporation over the past two years to ensure that there is continued prosperity and revitalization in the downtown Battle Creek business district. Creation of the 50 Capital Ave Development Corporation and its commitment to seeing the revitalization of the 15-floor former hotel into a 239-room DoubleTree hotel was a key move in this rewarding project.

When Battle Creek’s downtown hotel closed and the promised plans for a revitalized hotel and conference center fell through, I, like many others in my hometown of Battle Creek, was left wondering how the downtown would survive. Then another layer of uncertainty hit when the state shutdown for months. This generous funding proposed from the Michigan Strategic Fund Board will help secure needed funding for a project that will have a long-lasting effect in Battle Creek’s city-center for decades to come.

Thank you for your consideration of this worthwhile project. If you have any questions, please contact my office at 517-373-2426.

Sincerely,

John Bizon, M.D.

Re: Support for McCamly Hotel Project

To Quentin L. Messer, Jr.,

I write today to urge the Michigan Strategic Fund to approve the $7.5 million Michigan Community Revitalization Program performance-based loan participation award to support a community development project in Battle Creek.

Current plans call for a nearly $60 million revamp of the hotel campus. Renovations include energy efficient upgrades, a new HVAC system, lobby, ballroom, meeting spaces, and conference rooms. The restaurant will have a farm to table menu, a new bar and beer garden, and a brand-new kitchen.

The new hotel is vital for the growth of Battle Creek and developing a more diverse local economy. There have not been any new hotels built in downtown Battle Creek in many years. The resulting weddings, increased tourism, and business meetings will benefit small businesses operating nearby. I also want to bring to your attention the plans for a hospitality school operating in the hotel. The hotel will include a workforce training/educational component with an anticipated 165 jobs. This will create meaningful career opportunities for residents and local youth.

I recommend approval of the performance-based loan without reservation.

Respectfully,

Jim Haadsma
State Representative

Mr. Messer,

I am pleased to offer my support for the Bagley + 16th Redevelopment project. This project will be a significant addition to the City of Detroit’s Mexicantown neighborhood. The welcomed project will construct a new five-story mixed-use mixed income building on a currently vacant 0.7-acre lot. In addition to the new housing opportunities that this project will bring, it also includes four retail bays on the first floor which will help boost the local economy and bring jobs to the area. Finally, there will also be public improvements that consist of sidewalks, parking, and public seating all of which will revitalize the currently empty property.

As a member of the State House of Representatives, I strongly recommend the Michigan Strategic Fund Board grant Bagley + 16th, LLC, the request for approval of a $3,763,130 Michigan Community Revitalization Program performance-based direct loan. The transformation of this property will help stimulate local economic activity and house the citizens of our community. The additional public improvements will also continue to enhance the Mexicantown area and encourage further developmental projects in the city. If you have further questions, feel free to contact my office at 517-373-0823.

Sincerely,

Representative Tyrone Carter

Dear Chairperson Messer,

I write today urging your full support of a request from Global Life Sciences Solutions USA LLC for approval of several incentives to support a business development project in Muskegon Charter Township. Those incentives include a $1,500,000 Michigan Business Development Program performance-based grant, a $1,500,000 Jobs Ready Michigan Program performance-based grant, and a 100% SESA Exemption for up to five years valued at up to $2,707,884.

Specifically, I hope you, along with the rest of the Michigan Strategic Fund Board Members will approve these incentives at the upcoming meeting on Tuesday, June 28th. These economic incentives will play a huge role in bringing hundreds of jobs and hundreds of millions of dollars in economic development to Muskegon.

This is a great opportunity to ensure greater economic development and there is no doubt that these incentives will benefit not only Global Life Sciences Solutions USA LLC, but also the entire greater Muskegon area. Please support these incentives in the upcoming MSF Board Meeting.

Thank you for your service to the citizens of Michigan.

Sincerely,
