Section 10. Remedies.

(a) Upon the occurrence of any one or more of a Default or an Event of Default under this Agreement, the MSF shall be entitled to pursue and enforce all rights and remedies available to the MSF, legal and equitable, including without limitation (i) in the case of a Default or Event of Default, the right to: (x) suspend enrollment of any End Loans, and (y) the right to suspend any payment of any portion of the MSF Guarantee Obligation; and (ii) in the case of any an Event of Default, the (z) right to revoke any payment of any portion of the MSF Guarantee Obligation, (aa) the right to revoke any previous approval of any Enrolled Loan or Authorized Claim, (bb) the right of recoupment as to any payment made on the MSF Guarantee Obligation, and (cc) the right to terminate this Agreement, with no obligation to pay any portion of the MSF Guarantee Obligation. No remedy is intended to be the sole and exclusive remedy and each remedy shall be cumulative and in addition to every other provision or remedy now or later existing at law, in equity, by statute or otherwise.

(b) Notwithstanding Section 10(a), above, if there is an Event of Default under Section 9(b) as a result of information which originated from Borrower and the Lender justifiably relied upon it when the Lender submitted it to the Project Manager, MSF, or MEDC, the remedies in Section 10(a) shall be limited to such actions: (A) involving that particular Borrower’s End Loan, including without limitation, no enrollment of the End Loan in the SSBCI-MLGP, dis-enrollment of the End Loan from the SSBCI-MLGP, suspension, termination, or revocation of, any MSF payment thereon, and the right to recoup any MSF payment arising therefrom, and (B) as to future End Loans, including without limitation, the right to suspend or terminate any enrollment as an Enrolled Loan thereof.

(c) The Lender shall pay all costs and expenses, including, without limitation, reasonable attorney fees and expenses incurred by the MSF in enforcing any obligation of the Lender arising from or under this Agreement.

(d) The MSF also reserves the right to require the Lender’s books and records related in any way to any Credit Facility Documents, any End Loan, any Enrolled Loan, or any Authorized Claim, to be separately audited by an independent certified public accountant selected by the MSF, at the MSF’s sole cost and expense; provided however, in the event the audit reveals that a breach of this Agreement has occurred, the Lender shall reimburse the MSF for the fees and expenses incurred to perform the audit.

(e) Notwithstanding anything to the contrary, in the event any Enrolled Loan or Authorized Claim is later determined not to be eligible under the SSBCI-MLGP, or other State or federal laws, for any reason, including without limitation, pursuant to any rules, guidelines and regulations, orders or directives promulgated thereunder, they shall automatically be deemed ineligible and dis-enrolled from the SSBCI-MLGP, and the Project Manager shall provide written notice to Lender of such events. Further, to the extent the MSF, or any other authority requires recoupment or other payment of any monies paid by the MSF to Lender that arose from an ineligible or otherwise improper Enrolled Loan or ineligible or otherwise improper Authorized Claim or payment thereon, Lender shall forthwith reimburse the MSF all amounts paid by the MSF thereon.

Section 11. Subrogation. If as a result of any payment under the MSF Guarantee Obligation, or when such payment is combined with any other recovery, Lender has fully covered
an Authorized Claim, the MSF, upon its written request to Lender, shall be subrogated to all right, title and interest with respect to any Collateral, security or other right of recovery, in connection with the Enrolled Loan, which has not yet been realized, and the Lender shall take all steps to effectuate the request for subrogation by the MSF. In the event of any exercise of subrogation rights by the MSF, the MSF shall not be required to undertake any other parties’ obligations under any documents in connection with the subrogated rights, except for any obligations directly related to the exercise by the MSF of its subrogated right of recovery thereunder. This section shall survive indefinitely.

All the clauses of this Agreement are distinct and severable and, if any clause shall be deemed illegal, void, or unenforceable, it shall not affect the validity, legality, or enforceability of any other clause or provision of this Agreement. To the extent possible, the illegal, void, or unenforceable provision shall be revised to the extent required to render the Agreement enforceable and valid, and to the fullest extent possible, the rights and responsibilities of the Parties shall be interpreted and enforced to preserve the Agreement and the intent of the Parties. Provided, if application of this section should materially and adversely alter or affect a Party’s rights or obligations under this Agreement, the Parties agree to negotiate in good faith to develop a structure that is as nearly the same structure as the original Agreement (as may be amended from time to time) without regard to such invalidity, illegality, or unenforceability.

The Lender may not pledge, sub-participate,
assign, or otherwise transfer any interest in any Credit Facility Documents, or any Enrolled Loans or its respective rights, duties, or obligations under this Agreement without the express prior written approval of the MSF Fund Manager. The terms and conditions of this Agreement shall bind the permitted successors and permitted assigns of the Parties.

Section 17. Waiver. A failure or delay in exercising any right under this Agreement will not be presumed to operate as a waiver unless otherwise stated in this Agreement, and a single or partial exercise of any right will not be presumed to preclude any subsequent or further exercise of that right or the exercise of any other right.

Section 18. Amendment. This Agreement may not be modified or amended without the express prior written approval of the MSF Fund Manager and the Lender and any amendment to this Agreement shall be pursuant to a written agreement signed by the Parties. Provided however, the Project Manager may amend the format and appearance of the Loan Enrollment Form and Authorized Claim Form from time to time for more efficient or convenient use as determined by the Project Manager, including for the purpose of promoting fillable electronic forms, or adding additional information, and in such case, the Project Manager shall provide Lender written notice and copies thereof.

Section 19. Entire Agreement. This Agreement, together with the Exhibits, and applicable schedules thereto, sets forth the entire agreement of the Parties with respect to this Agreement, and supersedes all prior agreements, understandings, and communications, whether written or oral, with respect to this particular Agreement.

Section 20. Governing Law. This Agreement is a contract made under the laws of the State, and for all purposes shall be governed by, and construed in accordance with, the laws of the State.

Section 21. Termination. Except as to the above Sections 1, 5(g), 6(c), and 10 through 21, and Sections 1, 3 and 4 of Exhibit A, all of which shall survive indefinitely, and except as to other terms and conditions which shall survive as provided in this Agreement, this Agreement shall terminate at the end of the Term.

Section 22. Counterparts; Facsimile/Pdf Signatures. This Agreement may be signed in counterparts and delivered by facsimile or in pdf form, and in any such circumstances, shall be considered one document and an original for all purposes.

Section 21. Publicity. At the request and expense of the MSF or the MEDC, the Lender will cooperate with the MSF or the MEDC to promote the MSF, the MEDC and/or the SSBCI-MLGP through one or more of the placement of a sign, plaque, media coverage or other public presentation at other locations acceptable to the Parties.
The undersigned signing on behalf of Lender and the MSF, respectively, represent and warrant that they each have the requisite authority and power to sign below on behalf of their respective Party.

A. STATE OF MICHIGAN REQUIREMENTS

1. Auditor General, etc. To ensure compliance with the terms of this Agreement and the Michigan Strategic Fund Act, MCL125.2001 et. seq.:

   (a) the Lender shall permit the Auditor General of the State of Michigan (the “Auditor General”), the MSF, the MEDC, and the Chief Compliance Officer of the MSF (the “CCO”), and any representative, member, employee or agent of the foregoing to visit the Lender and any other location where the books and records of the Lender are normally kept to inspect the books and records, including financial records and all other information and data, relevant to the Loan, the Loan Documents and the terms of this Agreement;

   (b) the Lender shall permit the Auditor General, the MSF, the MEDC, the CCO, and any member, employee or agent of the foregoing to make copies or extracts from information and to discuss the affairs, finances and accounts of the Lender and Borrower related to the Loan, the Loan Documents and this Agreement; and

   (c) the Lender shall cooperate with the CCO, if contacted.

   This Section shall survive for a period of three years from date of termination of the Agreement.

2. Criminal and Civil Matters. To the best of Lender’s knowledge, neither Lender nor any of its affiliates, subsidiaries, officers, directors and any person who, directly or indirectly, holds a pecuniary interest in the Lender of 20% or more: (i) have any criminal convictions incident to the application for or performance of a state contract or subcontract, and (ii) have any criminal convictions or have been held liable in any civil proceeding that negatively reflects on the person’s business integrity, including without limitation, based on a finding of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or violation of state or federal antitrust statutes.

3. Indemnification and Hold Harmless. The MSF, the State of Michigan, the CCO, the MEDC, its Executive Committee and their respective directors, participants, officers, agents and employees (collectively, the “Indemnified Person(s)” shall not be liable to the Lender for any reason arising out of or related in any way to the Credit Facilities, any End Loan or End Loan Documents, any Enrolled Loan, or this Agreement. The Lender shall indemnify and hold the MSF, the State of Michigan, and the MEDC and other Indemnified Person harmless against all claims asserted by or on behalf of any individual person, firm or entity (other than an Indemnified Person), arising or resulting from, or in any way connected with, the Credit Facilities, Credit Facility Documents, any End Loan or End Loan Documents, any Enrolled Loan, or this Agreement, or any act or failure to act by the Lender, including all liabilities, costs and expenses, including reasonable counsel fees, incurred in any action or proceeding brought by reason of any such claim. The Lender shall also indemnify the MSF, the MEDC and other Indemnified Person from and against all costs and expenses, including reasonable counsel fees, lawfully incurred in enforcing any obligation of the Lender arising from or under Credit Facilities, Credit Facility Documents, any End Loan or End Loan Documents, any Enrolled Loan, or this Agreement. The Lender shall have no obligation to indemnify an Indemnified Person under this Section if a court with competent jurisdiction finds that the liability in question was solely caused by the willful misconduct or gross negligence of the MSF, the MEDC or other Indemnified Person, unless the court finds that despite the adjudication of liability, the MSF, the
MEDC or other Indemnified Person is fairly and reasonably entitled to indemnity for the expenses the court considers proper. The MSF, the MEDC and the Lender agree to act cooperatively in the defense of any action brought against the MSF, the MEDC or another Indemnified Person to the greatest extent possible. Performance of the Lender’s activities contemplated under this Agreement is within the sole control of the Lender and its employees, agents and contractors, and an Indemnified Person shall have no liability in tort or otherwise for any loss or damage caused by or related to the actions or failures to act, products and processes of the Lender, its employees, agents or contractors. This Section shall survive termination of this Agreement indefinitely.

4. **Jurisdiction.** The Lender agrees that it shall make a good faith effort to resolve any controversies that arise regarding this Agreement. If a controversy cannot be resolved, the Lender agree that any legal actions concerning this Agreement shall be brought in the Michigan Court of Claims or, as appropriate, Ingham County Circuit Court in Ingham County, Michigan. This Section shall survive termination of the Agreement indefinitely.

5. **Non-Discrimination and Unfair Labor Practices.** In connection with this Agreement, the Lender agrees not to discriminate against any employee or applicant for employment, with respect to their hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, national origin, ancestry, age, sex (including sexual orientation and gender identity or expression as defined in Executive Directive 2019-09), height, weight, marital status, partisan considerations, physical or mental disability, or genetic information (as defined in Executive Directive 2019-09) that is unrelated to the individual’s ability to perform the duties of the particular job or position. The Lender further agrees that every subcontract or sub-recipient agreement entered into for performance of this Agreement will contain a provision requiring nondiscrimination in employment, as specified in this Agreement, binding upon each subcontractor. This covenant is required, as applicable under the Elliot Larsen Civil Rights Act, 1976 PA 453, MCL 37.2101, et seq., and the Persons with Disabilities Civil Rights Act, 1976 PA 220, MCL 37.1101, et seq., and is consistent with Executive Directive 2019-09, and any breach thereof may be regarded as a material breach of this Agreement.

Under 1980 PA 278, MCL 423.321, et seq., the State shall not award a contract or subcontract to an employer whose name appears in the current register of employers failing to correct an unfair labor practice compiled under MCL 423.322. The United States Labor Relations Board compiles this information. The Lender shall not enter into a contract with a subcontractor, manufacturer, or supplier whose name appears in this register. Under MCL 423.324, the State may void any contract if, subsequent to the award of the contract, the name of the Lender as an employer, or the name of a subcontractor, manufacturer, or supplier of the Lender appears in the register.

6. **Other Prohibited Purposes of End Loan.** Lender shall not extend an End Loan for the purpose of the development of a stadium or arena for use by a professional sports team or development of a casino or property associated or affiliated with the operation of a casino as prohibited by the Act (see MCL 125.2088c(3)(a) and (b)), or to induce the Borrower, a qualified business, or small business to leave the State of Michigan, or to contribute to the violation of internationally recognized workers’ rights, of workers in a country other than the US, or to fund an entity incorporated in a tax haven country, as prohibited by the Act (see MCL 125.2088c(4)(c), (d), and (e)).
B. SSBCI PROGRAM REQUIREMENTS

2. **Patriot Act.** The Lender shall perform all of its obligations and duties as required under the Patriot Act of 2001, as amended, including without limitation, the provisions relating to the Customer Identification Program (CIP) and anti-terrorism, and the MSF may so rely on the Lender's performance of any such requirements, including that the Lender is in compliance with the requirements of 31 CFR 103.121 (relative to anti-money laundering programs); and Lender acknowledges the aforesaid obligations and duties, and further certifies it is in compliance thereunder, including relative to implementation of reasonable procedures to verify the identity of any person seeking to open an account, to the extent reasonable and practicable, maintain records of the information used to verify a person’s identity and determine whether the person appears on any lists of known or suspected terrorist organizations provided to the Lender by any government agency.

3. **Treasury Inspector General.** The Lender shall make available to the federal Department of Treasury, the Treasurer Inspector General, and their respective employees, agents or contractors (“Federal Treasury”), all books and records related to the Credit Facilities, the Credit Facility Documents, any End Loan or End Loan Documents, any Enrolled Loan, and this Agreement, subject to the Right to Financial Privacy Act, 12 U.S.C § 3401, et. seq.), including detailed records. In accordance with SSBCI guidelines, this Section shall survive until the later of (i) July 31, 2031 or (ii) as otherwise required by 2 CFR §220.334. Lender shall cooperate with the Federal Treasury in any enforcement or compliance review activities of the Federal Treasury in any way related to this Agreement or the laws and regulations in connection therewith. Such enforcement or compliance review may include investigation, arbitration, mediation, litigation, and monitoring, and further, as may be required by Federal Treasury, the Lender shall comply with information requests, on-site compliance reviews and all required reporting.

4. **No Conviction of Sex Offense.** No principal of the Lender has been convicted of a sex offense against a minor (as such terms are defined in section 111 of the Sex Offender Registration and Notification Act (42 U.S.C. 16911)). For the purposes of this certification, “principal” is defined as “if a sole proprietorship, the proprietor; if a partnership, each partner; if a corporation, limited liability company, association or a development company, or any other entity, each director, each of the five most highly compensated executives, officers, or employees of the entity, and each direct or indirect holder of 20% or more of the ownership stock or stock equivalent of the entity”.

5. **Civil Rights/LEP Services/Access.** The Lender shall comply, and shall require by contract that any applicable sub-grantee, contractor, subcontractor, successor, transferee, and assignee of Lender shall also comply, with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury’s Title VI regulations, 31 CFR Part 22, and other pertinent federal Executive Orders such as federal Executive Order 13166; Section 504 of the Rehabilitation Act of 1973 (Section 504), 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 C.F.R. part 28; Age Discrimination Act of
1975, 42 U.S.C. 6101 et seq., and the Department’s implementing regulations at 31 C.F.R. part 23, which are herein incorporated by reference and made a part of this Agreement.

Title VI also includes protection to persons with “Limited English Proficiency” in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury’s Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this Agreement. Lender acknowledges federal Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Lender understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Lender shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Lender understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Lender’s programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit http://www.lep.gov.

6. **Borrower Size.** No End Loan shall be extended to support any Borrower that has more than 750 employees.

7. **Loan Purpose and Other Standards:**
   (a) No End Loan will be made in order to place under the protection of the approved SSBCI-MLGP prior debt that is not covered under the approved SSBCI-MLGP and that is or was owed by the Borrower to the Lender or to an affiliate of the Lender;
   
   (b) Each End Loan shall be a new extension of credit to the Borrower by the Lender:
      
      i) and, if such End Loan is to refinance the Borrower’s existing loan, line of credit, extension of credit, or other debt originally made by an unaffiliated lender:
         (1) the End Loan is at least 150 percent of the previous outstanding refinanced balance; and
         (2) the End Loan results in a 30 percent reduction in the fee-adjusted APR contracted for the term of the End Loan; and
         (3) the proceeds of the End Loan shall not be used to finance an extraordinary dividend or other distribution, or
      
      ii) if any End Loan is a refinancing of a loan previously made to the Borrower by the Lender or an affiliate of the Lender:
         (1) the amount of such End Loan is at least 150 percent of the outstanding amount of the matured loan. A matured loan or line of credit only includes such that have matured according to their terms and does not include a loan or line of credit that has been accelerated to maturity; and
         (2) such End Loan shall be based on a new underwriting of the small business’s ability to repay the Loan and a new approval by the Lender; and
         (3) the prior loan has been paid as agreed and the Borrower was not in default of any financial covenants under the prior loan for at least the previous 36 months (or since origination, if shorter); and

(e) The End Loan Documents may not include any of the following provisions: (1) confessions of judgment; (2) prepayment or “double-dipping” fees (“double dipping” occurs when a lender issues new credit to refinance prior credit without forgiving a portion of the fee already paid and results in the Borrower paying a fee on top of a fee); or (3) upfront fees or charges paid by the small business, excluding fees to the state program, that exceed 2 percent for loans greater than $25,000 or $500 for loans under $25,000.

(f) The End Loan Documents must include disclosure by the Lender of all key terms in an easy-to-understand manner. In addition to all other applicable federal and state securities and lending disclosure laws, rules and regulations which continue to apply and are not superseded by the following, such Lender disclosures should include, for example, the End Loan amount; payment obligation and schedule; any terms giving the Lender control over the Borrower’s cash balances, cash flows or ownership; any conversion rights and future rights to purchase equity; and any fees or extra costs; and

8. SBA loan. The Lender shall not attempt to enroll in the SSBCI-MLGP any portion of an SBA guaranteed loan without obtaining the MSF’s express prior written consent.
