**Michigan Film Incentives - Tax Credit Program**

As of December 21, 2011, the Film and Digital Media Production Assistance Program has been operating within the scope of Section 29 of the MSF Act and no longer approves new film tax credit applications under Section 455 of the Michigan Business Tax (MBT) Act. However, previously approved projects may be issued a post-production tax credit certificate after the project is complete. There was one post production tax credit certificate issued in FY 2017. As of December 31, 2017, a total of \$292,416,203.19 in film tax credits have been paid out by the state, with \$27,326,404.57 in potential film tax credits that remain eligible to be claimed under the tax credit program.

**Michigan Film Incentives - Cash Rebate Program**

In FY 2017, twenty-eight projects were issued an approved Certificate of Completion Request (COCR) under the new film incentive program. These incentives are cash assistance under appropriated funding. These are listed in the table below. Under Section 29 of the MSF Act, projects approved in 2012 and thereafter are reported in the **online MFDMO Dashboard**, which is updated with actual data on a quarterly basis as COCRs are approved, and found at the link below:

<https://www.michiganbusiness.org/mifilmanddigital/film/#oldprogram>

In FY 2017, the total administrative expenses were \$941,337.35.

**SPECIAL PROJECTS**

In addition to general services provided by the MFDMO, the office also manages multiple short-term and continuous special projects, driven by a comprehensive strategic plan released by the MFDMO in May 2015. The plan included immediate and long-term goals and recommendations to bridge gaps amongst the creative industries, promote the Pure Michigan business and tourism campaign, improve transparency to the public and legislature and ultimately ensure that taxpayer dollars are being used wisely. The recommendations and special projects are categorized in terms of Talent Development, Digital Media, Education, Promotion, Transparency and Customer Service. While the landscape of the MFDMO has changed drastically since the release of this plan with the end of the film incentive program, the MFDMO has been working diligently to implement as many recommendations as possible during fiscal year 2017. **A listing of the completed recommendations is available at: <http://puremi.ch/2oa46HU>**
