SECTION I STATEMENT OF WORK

A) PURPOSE

The MSF is seeking a contractor (the "Contractor") to (1) perform an inspection and assess the current condition (the "Survey") of three roofs (the "Roofs") at King Solomon Missionary Baptist Church of Detroit (the "Church") located at 6125 14th Street in Detroit, Michigan and (2) to complete construction drawings and specifications in preparation for the replacement of the Roofs (the "Drawings") (the Survey, the Drawings, Collectively, the "Project"). This Project is funded through a grant from the National Park Service (the "NPS") African American Civil Rights Grant Program (the Grant Program).

B) BACKGROUND STATEMENT AND OBJECTIVES

Background: In 2016 the State Historic Preservation Office ("SHPO") received an NPS grant to identify and document 20th Century African American Civil Rights sites in Detroit, Michigan (the "2016 Project"). The 2016 Project included the development of a historic context, intensive-level survey of thirty properties, a Multiple Property Documentation Form, five National Register of Historic Places nominations, and a bike tour. During the 2016 Project, the Church was identified as a significant Civil Rights site. In 2018 the SHPO received an NPS African American Civil Rights Grant to (1) complete the Survey and develop the Drawings and Specifications (2) complete construction to replace the Roofs. This RFP is limited to the Survey and Drawings to be completed in advance preparation for the replacement of the Roofs, which include the steep slope roof of the original church core, the bell tower roof, and the low slope roof of the Southerly addition.

The Church building was built in 1917 as Temple Baptist Church and purchased by a Black congregation in 1951. For the next two decades, the church congregation was a leader in promoting African American civil rights. It hosted nationally significant events and speakers including Martin Luther King Jr., Thurgood Marshall, and Rosa Parks. In 1963 Malcolm X gave his influential "Message to the Grassroots" speech in the Church's auditorium building, which brought the radical concept of Black Power to the Civil Rights Movement. The Church also played a pivotal role in the rise of the Black Arts Movement when it served as an African American community arts center. The Church basement still contains the boxing gym where prizefighter Tommy Hearns first trained.

The Church complex consists of two buildings: the Church and a separate auditorium building located across the street built in 1937. Only the 1917 Gothic Arts & Crafts style Church is included in the Project. It has a steep slope, shingle roof with exposed rafters and a square bell tower located on the Southerly end. There are two flat roof additions to the Church on the North and Southerly ends completed c. 1940. Only the Southerly end addition low slope roof, the Bell Tower Roof, and Central Core steep slope roof are part of the Project. See King Solomon Missionary Baptist Church of Detroit Photographs attached as Attachment D to this RFP.

The Project will be supervised by the SHPO's historic architect and reviewed by NPS. All work must follow the *U.S. Secretary of the Interiors Standards for Rehabilitation* (the "SOI Standards") as defined by the National Historic Preservation Act, as amended. The budget and administration of the Project will be handled by the SHPO. The SHPO and the Church entered

into a Grant Beneficiary Agreement in order to ensure compliance with the Grant Program. All decisions regarding the Project work are the SHPOs. Onsite access will be available through an approved Church representative.

F) **Fringe Benefits**

Contractor understands that neither Contractor nor Contractor's employees or contract personnel are eligible to participate in any employee pension, health, vacation pay, sick pay, or other fringe benefit plan of the MSF.

G) **Workers' Compensation**

The MSF shall not obtain workers' compensation insurance on behalf of Contractor or Contractor's employees. If Contractor hires employees to perform any work under this

Agreement, Contractor shall cover those employees with workers' compensation insurance and shall maintain such insurance during the Term. The MSF may, in its discretion, require Contractor to provide evidence of such coverage.

H) **Unemployment Compensation**

The MSF shall make no state or federal unemployment compensation payments on behalf of Contractor or Contractor's employees or personnel. Contractor will not be entitled to these benefits in connection with work performed under this Agreement. If Contractor files a petition for and receives unemployment compensation, the total amount of unemployment compensation awarded to and received by Contractor shall be deducted from and be an offset against the amount of compensation due and payable to Contractor by the MSF under this Agreement.

I) **Access to Records**

During the Term, and for seven (7) years after the End Date, Contractor shall maintain reasonable records, including evidence that the requested services actually were performed and the identity of all individuals paid for such services, and shall allow access to those records by the MSF or their authorized representative at any time during this period.

J) **Termination**

Either Party may terminate its obligations under this Agreement by giving the other Party thirty (30) calendar days prior written notice of such termination.

The MSF may immediately terminate this Agreement upon written notice to Contractor if Contractor materially breaches its obligations under this Agreement or engages in any conduct which the MSF, in its sole discretion, determines has or could have an adverse impact on the State of Michigan's (the "State") or the MSF's reputation or interests. In addition, the MSF may immediately terminate this Agreement upon written notice to Contractor, without further liability to the MSF or the State, its departments, agencies, and employees, if Contractor, an officer of Contractor, or an owner of a 25% or greater share of Contractor is convicted of a criminal offense relating to a State, public, or private contract or subcontract; or convicted of a criminal offense including, but not limited to, any of the following: embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, attempting to influence a public employee to breach the ethical conduct standards for State employees; convicted under state or federal antitrust statutes; or convicted of any other criminal offense that, in the sole discretion of the MSF, reflects on Contractor's business integrity.

Contractor acknowledges that MSF's performance of its payment obligation is dependent upon the continued approval of funding and/or the MSF's continued receipt of State funding. In the event that the State Legislature, the State Government or any State official, public body corporate, commission, authority, body or employees, including the MSF:

- (i) takes any action which fails to provide, terminates or reduces the funding that is related to the source of funding for this Agreement; or

- (ii) takes any action that is unrelated to the source of funding for this Agreement, but affects the MSF's ability to perform obligations under this Agreement, the MSF may terminate this Agreement by providing thirty (30) calendar days notice prior to the effective date of cancellation. In the event, however, that the action of the State Legislature, the State of Michigan or MSF results in an immediate absence or termination of funding, this Agreement may be terminated effective immediately upon delivery of notice to the Contractor. In the event of immediate termination of funding, the MSF will make payment through the effective date of termination for any undisputed services rendered and expenses incurred.

The MSF shall have no obligation to Contractor for any fees or other payments incurred in connection with this Agreement after the effective date of termination. Upon termination, all work product prepared or produced by Contractor pursuant to this Agreement shall be immediately delivered to the MSF. Payment for any undisputed services rendered and expenses incurred through the effective date of termination will then promptly be made by the MSF. Any Initial Payment made to the Contractor is subject to reimbursement in an amount determined by the Contract Manager in the event the Contractor terminates the Agreement prior to the Ending Date.

K) MSF Employees

Contractor will not hire any employee of the MSF to perform any services covered by this Agreement without prior written approval from the President of the MSF.

L) Confidential Information

Except as required by law, Contractor shall not use or disclose, either before, during or after the Term, any proprietary or confidential information, including, but not limited to, applications, business bids, business plans, economic development analyses, computer programs, databases and all materials furnished to Contractor by the MSF (collectively, "Confidential Information") without the prior written consent of the MSF, except to the extent necessary to perform services on the MSF's behalf. Confidential Information does not include:

- (i) information obtained by Contractor from third party sources;
- (ii) that is already in the possession of, or is independently developed by, Contractor;
- (iii) that becomes publicly available other than through breach of this subsection; or
- (iv) is released with the prior written consent of the governmental entity or entities that provided the Confidential Information to Contractor.

Contractor acknowledges that all information provided by the MSF in connection with Contractor's duties under this Agreement shall be treated as Confidential Information unless otherwise stated in this subsection.

M) Conflict of Interest

Except as has been disclosed to the MSF, Contractor affirms that neither the Contractor nor its affiliates or their employees has, shall have, or shall acquire any contractual, financial

business or other interest, direct or indirect, that would conflict in any manner with Contractor's performance of its obligations under this Agreement or otherwise create the appearance of impropriety with respect to this Agreement. Generally speaking, this conflict of interest policy applies to any person who is paid in full or in part with Historic Preservation Fund ("HPF") or matching share ("state") monies, or who donates time or provides in-kind services to the HPF program. For purposes of the policy, "person" is defined as and means: the State Historic Preservation Officer; staff member of the State Historic Preservation Office ("SHPO"), including persons authorized to represent the SHPO or to perform in any official capacity for the SHPO; subgrantees and contractors paid in whole or part by HPF funds or whose time or salaries are used as allowable matching share; members of the State Historic Preservation Review Board and the Michigan Historical Commission; Certified Local Government Historic District Commission members, agents and staff; and the employees, agents, partners, associates, and family members of the persons listed above.

Contractor further affirms that neither Contractor nor any affiliates or their employees has accepted or shall accept anything of value based on an understanding that the actions of the Contractor or its affiliates or either's employees on behalf of the MSF would be influenced. Contractor shall not attempt to influence any or MSF employee by the direct or indirect offer of anything of value. Contractor also affirms that neither Contractor nor its affiliates or their employees has paid or agreed to pay any person, other than bona fide employees and consultants working solely for Contractor or its affiliate, any fee, commission, percentage, brokerage fee, gift or any other consideration contingent upon or resulting from the execution of this Agreement.

In the event of a change in either the interests or services under this Agreement, Contractor will inform the MSF regarding possible conflicts of interest that may arise as a result of such change. Contractor agrees that conflicts of interest shall be resolved to the MSF's satisfaction or the MSF may terminate this Agreement. As used in this subsection, "conflict of interest" shall include, but not be limited to, conflicts of interest that are defined under the laws of the State of Michigan.

N) Representations of Contractor

Contractor affirms to the best of its knowledge that it or its owners:

- 1) do not have any criminal convictions;

- 3) are not subjects of any past, present or pending investigations by the Internal Revenue Service or any other federal, state, local taxing authority, or court;
- 4) are not subjects of any past, pending or present litigation regarding its conduct; and
- 5) are not in material default or breach of any contract or agreement that it may have with the State of Michigan, the MSF or any other public body.

Contractor further represents and warrants that it has not been a party to any contract with the State, the MSF or other public body that was terminated within the previous five (5) years due to the Contractor's failure to perform or otherwise breached an obligation of such contract.

O) **State of Michigan Competitors**

Any information or knowledge Contractor gains during the course of this Agreement concerning the economic development efforts of the State of Michigan, the MSF or the business conditions or business community in State of Michigan shall not be disclosed to any public or private party, sovereign authority or foreign government, during the Term and for a period of two (2) years after the later of the End Date, the effective date of termination of this Agreement or so long as any information remains confidential pursuant to any contract, law, treaty, resolution or other enforceable promise.

P) **Irreparable Injury**

Contractor acknowledges that if it breaches any of its obligations under subsections L or O, it will cause damages of an irreparable and continuing nature to the MSF, for which money damages alone will not provide adequate relief. Therefore, in addition to all appropriate monetary damages, the MSF is entitled to obtain injunctive relief, including, but not limited to, a temporary restraining order to prohibit the Contractor's continuing breach. The MSF shall have the right to obtain such relief without having to post any bond or other surety.

Q) **Indemnification and Contractor Liability Insurance**

Contractor shall indemnify, defend, and hold harmless the MSF, its Board and its employees (the "Indemnified Parties") from any and all liability arising out of or in any way related to Contractor's performance under this Agreement, including any liability resulting from any acts of Contractor's employees or agents.

Contractor shall purchase and maintain such insurance to protect the Indemnified Parties from claims that might arise out of or as a result of Contractor's operations. Contractor will provide and maintain its own errors and omissions liability insurance for Contractor's indemnification obligation under this Agreement. The insurance shall be written for not less than One Million Dollars (\$1,000,000) of coverage, but Contractor's indemnification obligation is not limited to this amount.

R) **Total Agreement**

This Agreement, together with Exhibit A, contains the entire agreement between the Parties superseding any prior or concurrent agreements as to the services being provided and no oral or written terms or conditions which are not contained in this Agreement shall be binding. This Agreement may not be changed except by written agreement signed by the Parties.

S) **Assignment/Transfer/Subcontracting**

Contractor shall not assign, transfer, convey, subcontract, or otherwise dispose of any duties or rights under this Agreement without the prior specific written consent of the MSF. Contractor agrees that any of Contractor's future successors or subcontractors will be bound by the provisions of this Agreement, unless the MSF otherwise agrees in a specific written consent. The MSF reserves the right to approve subcontractors for this Agreement and to require Contractor to replace subcontractors who are found to be unacceptable to the MSF.

T) **Non-Discrimination and Unfair Labor Practices**

In connection with this Agreement, Contractor shall comply with the Elliott-Larsen Civil Rights Act, 1976 PA 453, MCL 37.2101 *et seq.*, the Persons with Disabilities Civil Rights Act, 1976 PA 220, MCL 37.1101 *et seq.*, and all other federal, state and local fair employment practices and equal opportunity laws and covenants that it shall not discriminate against any employee or applicant for employment with respect to his or her hire, tenure, terms, conditions, privileges of employment, or any matter directly or indirectly related to employment because of his or her race, religion, color, national origin, age, gender, height, weight, marital status, or physical or mental disability unrelated to the individual's ability to perform the duties of a particular job or position. Contractor further agrees that every subcontract entered into in connection with this Agreement will contain a provision requiring nondiscrimination in employment, as required in this Agreement, binding upon each subcontractor.

Pursuant to 1980 PA 278, State Contracts with Certain Employees Prohibited Act (the "Act"), MCL 423.321 *et seq.*, the State shall not award a contract or subcontract to an employer whose name appears in the current register of employers failing to correct an unfair labor practice compiled by the United States National Labor Relations Board. Contractor, in relation to this Agreement, shall not enter into a contract with a subcontractor, manufacturer, or supplier whose name appears on this register. Pursuant to section 4 of the Act, the MSF may void this Agreement if, after the Starting Date, the name of the Contractor as an employer or the name of the subcontractor, manufacturer or supplier of Contractor appears on the register.

A breach of this subsection constitutes a material breach of this Agreement.

U) **Jurisdiction**

The laws of the State of Michigan shall govern this Agreement. The Parties shall make a good faith effort to resolve any controversies that arise regarding this Agreement. If a controversy cannot be resolved, the Parties agree that any legal actions concerning this Agreement shall be brought in the Ingham County Circuit Court in Ingham County, Michigan, USA. By signing this Agreement, Contractor acknowledges that it is subject to the jurisdiction of this court and agrees to service by first class or express delivery wherever Contractor resides, in or outside of the United States.

V) **Compliance with Laws**

Contractor shall comply with all applicable state, federal and local laws and ordinances in providing the services under this Agreement.

W) **No Partnership or Agency Relationship**

This Agreement does not create a partnership relationship. Further, neither Contractor nor Contractor's employees or other representatives shall hold themselves out to third parties as an agent or representative of the State of Michigan or the MSF nor shall they have any authority to take any action or enter into any agreement on behalf of the State of Michigan or the MSF.

X) **No Third Party Beneficiaries**

There are no expressed or implied third party beneficiaries to this Agreement.

Y) **Counterparts**

This Agreement may be executed in one or more counterparts and by facsimile, each of which shall constitute an original, and all of which together shall constitute one and the same instrument.

Z) **Reimbursement**

If this Agreement is terminated as a result of the misuse of funds as reasonably determined by the MSF, MSF shall have no further obligation to make any payments to Contractor. Furthermore, Contractor shall reimburse MSF for payments which were expended for purposes other than those described in this Agreement, as well as any funds that were previously disbursed under this Agreement but not yet expended by Contractor.

AA) **Severability**

All of the clauses of this Agreement are distinct and severable and, if any clause shall be deemed illegal, void or unenforceable, it shall not affect the validity, legality or enforceability of any other clause or provision of this Agreement. To the extent possible, the illegal, void or unenforceable provision shall be revised to the extent required to render the Agreement enforceable and valid, and to the fullest extent possible, the rights and responsibilities of the Parties shall be interpreted and enforced to preserve the Agreement and the intent of the Parties. Provided, if application of this section should materially and adversely alter or affect a Party's rights or obligations under this Agreement, the Parties agree to negotiate in good faith to develop a structure that is as nearly the same structure as the original Agreement (as may be amended from time to time) without regard to such invalidity, illegality or unenforceability.

BB) **Publicity**

At the request and expense of the MSF, the Contractor will cooperate with the MSF to promote the Scope of Work through one or more of the placement of a sign, plaque, media coverage or other public presentation at the Site or other location acceptable to the Parties.

CC) **Survival**

The terms and conditions of sections III, V(B), V(E), V(F), V(G), V(H), V(I), V(L), V(O), V(P), V(Q), V(S), V(U), V(W), V(X), V(Z) and V(AA) shall survive termination of this Agreement.
