

# AEROSPACE MEETINGS

February 18-20, 2020 – Querétaro, Mexico

Queretaro is the main hub to Mexico's aerospace clusters and holds a significant concentration of 80+ aerospace companies. Queretaro is regarded as the rising high-tech center for aerospace manufacturing, and its sizable SME base benefits from OEM presence in the region including Airbus, Safran, Delta, and Bombardier.

## ABOUT AEROSPACE MEETINGS

Aerospace Meetings Queretaro is a platform for prime OEMs to connect with companies offering the right capabilities and services through a matchmaking program. Meetings for the supply chain, procurement, technical teams, suppliers, and contract manufacturers are pre-arranged based on your own choices prior to the event.

More than 250 companies from 15 countries are expected to attend. Buyers represent various facets of business including purchasing, engineering and fabrication.

Meet with potential OEM customers involved in:

- Manufacturing
- Research & Development
- General Services
- Special Processes
- Engineering & Design

As a sponsor of Aerospace Meetings, the Michigan Economic Development Corporation (MEDC) is offering Michigan companies discounted registration and space in the Michigan pavilion.
