The Minigrant program is a partnership between the Michigan Council for Arts and Cultural Affairs and Regional Regranting Agencies throughout the state. The Arts Projects Minigrant program is a competitive grant program that provides support for production, presentation and creation of arts and culture that promotes public engagement, diverse and excellent art, lifelong learning in the arts, and the strengthening or livability of communities through locally developed arts and culture.

These projects connect communities with the world by exploring, sharing and supporting creative expression, and by doing so, they promote the health and well-being of communities and citizens throughout our state. Grantee Responsibilities and Requirements

FUNDING
Funding requests have a maximum of $4,000. Grants awarded must not exceed 50% of total project costs. A 1:1 cash and/or in-kind match is required.
*For example, a $3,000 grant award requires a $3,000 cash and/or in-kind match.

Funding may ONLY be used for:
• Artists fees directly related to the project
• Salaries or wages directly related to the project
• Space rental
• Marketing or promotional expenses directly related to the project
• Project supplies and materials, including performance, or other production costs
• Project-related curriculum materials

MATCH
Minigrant Arts Projects recipients are required to make a minimum 1:1 cash and/or in-kind match. State funds may not be used as matching funds. Any additional matching funds, over and above the required cash match, may include other cash, earned revenue, contributions, and “in-kind” funds which represent a reasonable value of services, materials, and equipment, as allowed under Federal Internal Revenue Service code for charitable contributions.

Also, there are certain expenses that may occur during the project year that should not appear on the itemization. Arts Projects funding may not be used for expenses such as: costs involved in the start-up of a new organization, costs incurred prior to the grant starting date, indirect costs for the handling/management of grant funds, awards or cash prizes, fundraising events, reception costs, out of state travel, etc. Please refer to application instructions Section 5: Budget section for complete details.

Grantees must sign a grant agreement detailing terms for the use of Council funds. Please note that the grant agreement will detail the scope of work and the payment schedule. If the applicant is not an arts or cultural organization and the project makes a profit, the surplus (up to the grant amount) must be returned to MCACA.

ACCESSIBILITY
MCACA strives to make the arts accessible to all people and this is a priority of its funding programs. Funded organizations agree to make every attempt to ensure that programs are accessible to persons with disabilities. According to state and federal law, every publicly funded organization must place itself in the position of being able to provide accommodations when persons with disabilities make requests for services. For a list of resources on accessibility, visit http://arts.gov/accessibility/accessibility-resources/nea-office-accessibility.
UNDERSERVED COUNTIES
It is the Council’s long-term goal to make quality arts and cultural programs and services available to all 83 counties in the State of Michigan. In order to accomplish that, MCACA has identified underserved counties (the full list can be found on our website http://www.michiganbusiness.org/community/council-arts-cultural-affairs).
In addition, an underserved community is defined as one in which people lack access to arts programs, services or resources due to geography, economic conditions, cultural background, sociopolitical circumstances, disability, age or other demonstrable factors. The term “community” can refer to a group of people with common heritage or characteristics, whether or not living in the same place.

ELIGIBILITY
Arts & cultural nonprofit or nonprofit organization registered in the state of Michigan, municipality, registered preK-12 educational institution, and K-12 schools are eligible to apply. Organizations must ensure no part of net earnings benefit a private individual. Donations to the organizations must be allowable as a charitable contribution under section 170c of the Internal Revenue Code of 1954 as amended. (Organizations with status under Section 501(c)(3) of the IRS Code and local Units of Government meet this criteria.)

Any applicant that has unmet obligations on current grant agreements, such as overdue or incomplete reports or other significant problems, is not eligible to apply for future funding. If any applicant fails to meet MCACA requirements on a current grant agreement, their pending application will be removed from the review process. If any applicant fails to meet MCACA requirements on a current grant, following Council approval on a FY20 application, the newly approved grant will be rescinded. Auxiliary support organizations (i.e. friends of xyz), colleges and universities may not apply in this grant program. Federal and State of Michigan agencies, divisions or departments are not eligible to apply for funding from MCACA.

VETERANS AFFAIRS
Veterans provide our workforce with a high-level skill set built through brave service to America. They bring the advantages of being immersed in a training environment, and their technical skills, strengths in strategic thinking, and versatility are just a few of the very tangible talents that make them valuable to any employer.

The arts are also a powerful, therapeutic tool in the healing process for many combat veterans reintegrating back into society and transitioning back into civilian life.

Therefore the Council encourages organizations to provide veterans of all eras and all branches of the military with opportunities in the arts. Providing both a foundation for their work and freedom to pursue it as they see fit, is the best means to bringing quality work forward while maintaining assistance to veterans and artists.
Receipt of state and federal grants carries with it certain obligations and responsibilities. By submitting a Michigan Council for Arts and Cultural Affairs (MCACA) grant application, applicants are affirming that they are familiar with the requirements of both MCACA and the National Endowment for the Arts (NEA), and that they will comply with those requirements.

Grantees should use cost accounting principles which comply with requirements as set forth in 2 CFR Chapter, I, Chapter II part 200 Uniform Administrative Requirements, Cost, Principals, and Audit Requirements for Federal Awards*. This new guidance, commonly called the Omni Circular, Super Circular or Uniform Guidance, replaces A-87 Cost Principals – State and Local Governments, A-122 Cost Principals - Nonprofit organizations, A-89 catalog of Domestic Assistance, A-102 Administrative Rules State and Local Governments, A-133 & A-50 Audit Rules. It is important to note that for grant recipients the change from the previous federal standards (like A-87 & A-133) to the OMNI circular formally went in to effect December 26, 2014, and applies to MCACA grants awarded after 7/1/2015.

Since MCACA receives funding from the NEA (CFDA 45.025), organizations receiving funding from the MCACA must, in turn, comply with the requirements outlined in the NEA’s General Terms and Conditions https://www.arts.gov/sites/default/files/2015-general-terms-and-conditions-for-partnership.pdf).

The Grantee shall otherwise be in compliance at all times with all applicable federal laws, regulations, rules and orders including, but not limited to Title VI of the Civil Rights Act of 1964, 42 USC 2000d et seq.; Executive Order 13166; Title IX of the Education Amendments of 1972, 20 USC 1681 et seq.; Section 504 of the Rehabilitation Act of 1973, 29 USC 701 et seq.; the Age Discrimination Act of 1975, 42 USC 6101 et seq.; the National Environmental Policy Act (NEPA) of 1969, 42 USC 4321 et seq.; the National Historic Preservation Act (NHPA) of 1966, 16 USC 470 et seq.; the Drug Free Workplace Act of 1988, 41 USC 701 et seq.; Lobbying restrictions, 18 USC 1913, 2 CFR 200.450, and 31 USC 1352; Davis-Bacon and Related Acts; the Native American Graves Protection and Repatriation Act of 1990, 25 USC 3001 et seq.; the U.S. Constitution Education Program, P.L. 108-447, Division J, Sec. 111(b); and the prohibition on funding to ACORN, P.L. 111-88, Sec. 427.”

Grantees must assure the Council that professional performers and/or related or supporting personnel employed in projects funded by the Council shall not receive less than the prevailing minimum compensation as determined by the Secretary of Labor. Labor standards set out in Part 505 (29CFR) “Labor Standards on Projects or Productions Assisted by Grants from the
National Endowment for the Arts.” In addition, grantees must assure the Council that no part of projects funded by the Council will be performed or engaged in under working conditions which are unsanitary or hazardous or dangerous to the health and safety of employees engaged in such projects.

Consistent with Public Law 101-512, when purchasing equipment and products under a Council grant, grantees are encouraged to purchase American-made equipment and products.

Grantees are required to comply with requirements regarding debarment and suspension in Subpart C of 2 CFR 180, as adopted by the National Endowment for the Arts in 2 CFR 32.3254. Grantees are required to execute projects and/or productions in accordance with the above noted requirements, certifying that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Grantees are prohibited from conducting general political lobbying, as defined in relevant statutes, regulations and OMB circular within a Council funded project.

Travel outside the United States, its territories, Mexico and Canada not identified in the grant application must be specifically approved in writing by the Council before travel is undertaken. Such travel, if approved, must comply with applicable state and federal regulations.

According to section 11 of the Grant Agreement, Council support must be credited and included in all publicity, media materials, on your website and during each broadcast promotion of the activity. MCACA Minigrant Arts Projects program support credit should read: “This activity is supported in part by the Michigan Council for Arts and Cultural Affairs and (the name of the Regional Regranting agency).”

Grantees must submit, in a Council required format, a Final Report. The Final Report must include a narrative summary including outcomes and methods/examples of MCACA grant award acknowledgment and promotion, detailed financial itemization, and examples of publicity materials from the activity (i.e. publication materials, photographs and news stories). Selected grantees may also be required to submit an interim report.

Grantees are required to keep on file and make available upon request the following support documentation: A list of dates and amounts of all grant payments received; documentation of all expenditures made using grant funds and matching funds, including copies of paid invoices, receipts, timesheets, payroll records, and tax withholding reports. Documentation of in-kind donations should include volunteer work schedules, copies of receipts given to donors for in-kind donations, an explanation of how the value of each donation was determined, or other supporting documentation.
Minigrant Arts Projects Review Criteria

Each application to Minigrant Arts Projects is reviewed by a panel in order to determine the appropriateness of state support to the applicant. Review criteria is used in two ways: First, to assist the applicant in preparing the grant application narrative by establishing, through the criteria, how panel reviewers will judge the application. Second, to assist reviewers by outlining for them what it expects from a successful applicant and weighting each criteria based on goals and priorities. Panel reviewers use this criteria to score applications.

Each eligible application submitted to the MCACA Minigrant Arts Projects program is reviewed and scored by a conflict-free panel of professional peers. Applications are scored on a 100 point scale, and reviewed according to the following evaluation criteria:

- Artistic/Cultural Merit – 35 points
- Community Impact – 30 points
- Implementation/Management – 25 points
- Supplemental Material – 10 points

Reviewers look for projects that demonstrate artistic merit, sound planning and management, community involvement and impact. Panel funding recommendations are approved by the Regional Regranting Agency’s board of directors. Geographic, underserved status and disciplinary distribution may also be considered when determining awards.

In general applicants should:
- Have a history of successful programming
- Support local artists and/or creators of culture
- Have achievable outcome(s) and feasible performance measurements
- Have strong community support
- Have commitment to cross cultural understanding and diversity through programming, and also board, staff and audience development
- Participate in effective partnerships and collaborations with cultural and non-cultural organizations
- Support arts education and youth development
- Committed to the public’s well-being as exhibited in programming, processes and transparent communications

*No one organization needs to address, or is expected to meet, all of the general expectations.*
