SECTION I STATEMENT OF WORK

A) PURPOSE

The Michigan Strategic Fund (the “MSF”) is seeking proposals from one or more entities to support the development of a statewide mega- site strategic plan (the “Strategic Plan”).

B) BACKGROUND STATEMENT AND OBJECTIVES

Background Statement:

Public Act 194 of 2022 (the “Act”), effective October 4, 2022, appropriated funds to the Michigan strategic site readiness program and as required in Section 408(4) of the Act, a Strategic Plan that addresses the criteria in section 88t(6) of the MSF Act, 1984 PA 270, MCL 125.2088t must be completed prior to expenditure of funds.

The Strategic Plan shall be developed in consultation with strategic industry and utility partners and must be completed in final form by March 25, 2023.

Objectives:

1. Make overall recommendations on the number, size, general location, and site requirements for mega-sites to position Michigan to be competitive in strategic industries;
2. Evaluate the readiness and competitiveness of existing mega-sites including an assessment of the improvements and costs required to bring each mega-site to a marketable condition.
3. Identify additional potential mega-sites that may be assembled through acquisition, and to the extent feasible, provide estimates of the acquisition costs and cost of improvements required to bring each site to a marketable condition.
4. Provide comparable information for mega-site developments in other states including, but not limited to, size, location to transportation corridors and channels, energy, utility; investment amount; development timelines; business structures for land assemblage and improvements; other relevant information.
5. Make recommendations on strategic sites responsive to the Michigan Economic Development Corporation’s (the “MEDC”) focus industries and market activity.
6. Make recommendations for future appropriations to implement the Strategic Plan.
7. As part of the Strategic Plan, propose a consistent statewide rating system for site readiness.
8. Provide case studies of mega-site completed in other states with detail including, but not limited to, size; time required to assemble, develop, market and win a project; funding

sources; ownership structure; approval structure; etc.

C) QUALIFICATIONS

The MSF is seeking proposals from national entities that are currently engaged in and have prior experience with national site attraction and/or real estate and site development, with preference placed on entities who have direct experience in mega-site development for public entities for economic development purposes.

Administrative fees cannot exceed 15% of overall award. The remaining 85% should be allocated directly to the development of the statewide mega-strategic site strategic plan.

D) DELIVERABLES

Deliverables to be provided by the selected vendor include:

1. Bi-weekly updates on the Strategic Plan progress;
2. Completed draft of the Strategic Plan on or before March 15, 2023; and
3. Final completed Strategic Plan delivered to MEDC on or before March 25, 2023.

E) ADDITIONAL INFORMATION

The successful Bidder will provide a program manager to work as the primary point of contact with the MEDC, their contractors and any additional stakeholders. As a part of its project management duties, the program manager will conduct informational and status meetings. Such meetings may include the program management team, the MEDC, other consultants, elected officials, and any other stakeholders as designed by the MEDC. The program manager will work directly with the MEDC and their contractors and related stakeholders to define, manage, and control the project scope, timeline, issue escalation and resolution processes. The MEDC will require detailed status reports, as defined by the MEDC, on a quarterly basis and will reserve the option of changing that requirement dependent upon which phase the project is in. In addition, the program manager will create and routinely update the project plan to reflect changes in the nature and timing of project activities with all changes being subject to MEDC approval.

C) ECONOMY OF PREPARATION

Each proposal should be prepared simply and economically, providing a straightforward, concise description of the Bidder's ability to meet the requirements of the RFP. Emphasis should be on completeness and clarity of content.

D) SELECTION CRITERIA

Responses to this RFP will be evaluated based upon a three-step selection process. The proposal must address the requirements described in Section II of this RFP.

The first step is an evaluation of which proposals satisfactorily meet the requirements of this RFP as stated in Section II.

1) Step I – Initial evaluation for compliance

a) *Proposal Content* – Contract Services will screen the proposals for technical compliance to include but not be limited to:

- Timely submission of the proposal.
- Technical Proposal and Price Proposal clearly identified and sent separately.
- Proposal signed physically or electronically by an official of the Bidder authorized to bind the Bidder to its provisions.

Only those proposals that satisfy the requirements described in this RFP, as determined in the sole discretion of the JEC, will be considered for evaluation in Step II. The JEC reserves the right to request additional information from any Bidder.

The proposal should indicate the competence of the personnel whom the Bidder intends to assign to the project, including education and experience, with particular reference to experience on projects similar to that described in this RFP and qualifications of Bidder’s Project Manager and the Project Manager’s dedicated management time, as well as that of other key personnel working on this project.

- d.) Only those proposals receiving a score of **80 points or more** in the technical proposal evaluation will have their pricing evaluated to be considered for award.

3) Step III – Criteria for Satisfactory Price Proposal

- b.) The MSF reserves the right to consider economic impact on the State of Michigan when evaluating proposal pricing. This includes, but is not limited to: job creation, job retention, tax revenue implications, and other economic considerations.
- c.) The award recommendation will be made to the responsive and responsible Bidder who offers the best value to the MSF and the State of Michigan. Except as otherwise disclosed in an exhibit to the Proposal, Bidder certifies that all applicable taxes are paid as of the date the Bidder’s Proposal was submitted to the MSF and the Bidder owes no outstanding debt to the State of Michigan or the MSF.

G) CONFLICT OF INTEREST

The Bidder must disclose, in an exhibit to the proposal, any possible conflicts of interest that may result from the award of the Contract or the services provided under the Contract.

Except as otherwise disclosed in the proposal, the Bidder affirms that to the best of its knowledge there exists no actual or potential conflict between the Bidder, the Bidder’s project manager(s) or its family’s business or financial interests (“Interests”) and the services provided under the Contract. In the event of any change in either Interests or the services provided under the Contract, the Bidder will inform the MSF regarding possible conflicts of interest which may arise as a result of such change and agrees that all conflicts shall be resolved to the MSF’s satisfaction or the Bidder may be disqualified from consideration under this RFP. As used in this Section, “conflict of interest” shall include, but not be limited to, the following:

- 2) Having or acquiring at any point during the RFP process or during the term of the Contract, any contractual, financial, business or other interest, direct or indirect, that would conflict in any manner or degree with Bidder’s performance of its duties and responsibilities to the MSF under the Contract or otherwise create the appearance of impropriety with respect to the award or performance of the Contract; or
- 3) Currently in possession of or accepting during the RFP process or the term of the Contract anything of value based on an understanding that the actions of the Bidder or its affiliates or Interests on behalf of the MSF will be influenced.

Except as otherwise disclosed in an exhibit to Bidder's proposal, Bidder is not in material default or breach of any contract or agreement that it may have with the State of Michigan or any of its departments, commissions, boards or agencies, or any other public body in the State of Michigan. Further, Bidder represents and warrants that it has not been a party to any contract with the State of Michigan or any public body that was terminated within the previous five (5) years because the Bidder failed to perform or otherwise breached an obligation of such contract.

I) DISCLOSURE OF LITIGATION

Except as otherwise disclosed in an exhibit to Bidder's proposal, there is no criminal litigation, investigations or proceedings involving the Bidder (and each subcontractor, if subcontractors will be used to provide the goods/services requested under this RFP) or any of the Bidder's officers or directors or any litigation or proceedings under the Sarbanes-Oxley Act. In addition, Bidders must disclose in the exhibit requested under this Section of the RFP any civil litigation, arbitration or proceeding to which the Bidder (or, to the extent Bidder is aware, any subcontractor) is a party and which involves: (1) disputes that might reasonably be expected to adversely affect the viability or financial stability of the Bidder (or subcontractor); or (2) a claim or written allegation of fraud or breach of contract against Bidder (or, to the extent Bidder is aware, subcontractor), by a governmental or public entity arising out of their business dealings with governmental or public entities. Details of any settlements which Bidder is prevented from disclosing under the terms of the settlement may be annotated as such. Bidders must also disclose any investigations by the Internal Revenue Service or any other federal or state taxing body or court.

J) FALSE INFORMATION

If the MSF determines that a Bidder purposefully or willfully submitted false information in response to this RFP, the Bidder will not be considered for an award and any resulting Contract that may have been executed may be terminated.

K) ADDITIONAL DISCLOSURE

All Bidders should be aware that proposals submitted to the MSF in response to this RFP may be subject to disclosure under the provisions of Public Act 442 of 1976, as amended, known as the Freedom of Information Act ("FOIA"). Accordingly, confidential information should be excluded from Bidders' proposals. Bidders, however, are encouraged to provide sufficient information to enable the MSF to determine the Bidder's qualifications and to understand or identify areas where confidential information exists and could be provided. The FOIA also provides for the complete disclosure of the Contract and any attachments or exhibits thereto.

L) PRICES HELD FIRM

LENGTH OF TIME PRICES ARE TO BE HELD FIRM: All rates quoted in Bidder's response to this RFP will be firm for the duration of the Contract. No price changes will be permitted. IN THE EVENT THAT PROPOSED CHANGES ARE NOT ACCEPTABLE TO THE MSF, THE CONTRACT SHALL BE TERMINATED AND THE MODIFIED CONTRACT SHALL BE SUBJECT TO COMPETITIVE BIDDING.

M) BEST AND FINAL OFFER

At any time during the evaluation process, the JEC may request a Best and Final Offer (“BAFO”) from any Bidder. This will be the final opportunity for a Bidder to provide a revised proposal. The scope of the changes allowed in the BAFO will be published as part of the issuance of the BAFO request.

Bidders are cautioned to propose the best possible offer at the outset of the process, as there is no guarantee that any Bidder will be allowed an opportunity to engage in Pricing Negotiations or requested to submit a Best and Final Offer.

N) CLARIFICATION/CHANGES IN THE RFP

Changes made to the RFP as the result of responses made to qualifying questions or concerns will be posted on <https://www.michiganbusiness.org/369246>. Applicants are encouraged to regularly check this site for changes or other information related to the RFP.

O) ELECTRONIC BID RECEIPT

ELECTRONIC VERSIONS OF EACH OF YOUR TECHNICAL AND PRICE PROPOSALS SENT SEPARATELY MUST BE RECEIVED AND TIME-STAMPED BY THE MSF TO contractsandgrants@michigan.org, ON OR BEFORE **3:00 p.m. on December 20, 2022**. Bidders are responsible for timely submission of their proposal. THE MSF HAS NO OBLIGATION TO CONSIDER ANY PROPOSAL THAT IS NOT RECEIVED BY THE APPOINTED TIME.

P) RESERVATION OF MSF DISCRETION

Notwithstanding any other statement in this RFP, the MSF reserves the right to:

- 1) reject any and all proposals;
- 2) waive any errors or irregularities in the bidding process or in any proposal;
- 3) rebid the project;
- 4) negotiate with any Bidder for a reduced price, or for an increased price to include any alternates that the Bidder may propose;
- 5) reduce the scope of the project, and rebid or negotiate with any Bidder regarding the revised project; or
- 6) defer or abandon the project.

The MSF’s decision is final and not subject to appeal. Any attempt by an applicant, collaborating entity, or other party of interest to the project to influence the awards process, to appeal, and/or take any action, including, but not limited to, legal action, regarding the proposal or awards process in general may result in the applicant’s disqualification and elimination from the award process.

Q) JURISDICTION

Any legal action arising from or concerning this RFP shall be brought in the Michigan Court of Claims or, as appropriate, the Ingham County Circuit Court in Ingham County, Michigan. Nothing

in this RFP shall be construed to limit the rights and remedies of the MSF that are otherwise available.

R) ADDITIONAL CERTIFICATION

Pursuant to Public Act 517 of 2012, an Iran linked business is not eligible to submit a bid on a request for proposal, with a public entity.

Bidders must include the following certification in the technical proposal:
