MEMORANDUM

Date: November 30, 2020

To: Michigan Strategic Fund Board

From: Christine Whitz, Director, Community Development Block Grant Program
         Greg West, Community Development Block Grant Program, Manager
         Suzanne Perreault, Small Business Program, Manager

Subject: Community Development Block Grant Program
         Pure Michigan® Small Business Relief Initiative

Request
Michigan Economic Development Corporation (“MEDC”) staff recommends the Michigan Strategic Fund (“MSF”) allocate $11,000,000 of Community Development Block Grant (“CDBG”) Coronavirus Aid, Relief and Economic Security (“CARES”) funds for the Pure Michigan® Small Business Relief Initiative including administrative costs; approve a delegation of authority for the MSF Fund Manager and the MSF President to approve grants under the Pure Michigan® Small Business Relief Initiative; and waive the MSF Background Check Policy for all grants approved under the Pure Michigan® Small Business Relief Initiative.

Background
On March 27, 2020 the CARES Act was passed by the U.S. Congress and signed into law. On May 19, 2020, the MSF Board approved MEDC staff to amend the CDBG PY19 Action Plan to add the anticipated COVID (CDBG-CV1) funding allocated to the State of Michigan in the amount of $20,500,953, which funded county allocations to 83 Michigan non-entitlement counties for expenditures related to the coronavirus. On September 22, 2020, the MSF approved MEDC staff to amend the CDBG PY19 Action Plan a second time to add the COVID (CDBG -CV2) funding allocated to the State of Michigan in the amount of $41,987,422. The CDBG COVID-19 Relief Initiative will be funded from CDBG-CV2 funds.

The Pure Michigan® Small Business Relief Initiative seeks to provide funding to qualified grant administrators to provide and administer CDBG program grants to eligible businesses disproportionately impacted by COVID-19. Grant administrators may issue grants of $15,000 to eligible businesses that experienced income losses due to COVID-19 and need assistance for working capital expenses to support payroll expenses, rent or mortgage payments, and utility expenses. Program requirements, eligibility considerations and screening guidelines for the Pure Michigan® Small Business Relief Initiative are set forth in Appendix A.

MEDC staff seeks to award one or more grants to a non-profit organization to serve as grant administrator(s), up to an aggregate amount of $11,000,000 plus administrative costs, to be used to support certain businesses that have been impacted by COVID-19 and desire to use grant funds for eligible working capital expenditures.
Due to the similarities with the Michigan Small Business Relief Program (“MSBRP”), Small Business Restart Program and the target recipients, the MEDC anticipates that funding approved under the this initiative will be allocated on a regional basis as set forth in the table below:

The remaining $1,000,000 from the funding allocation is intended to cover the administrative costs incurred by the selected grant administrator(s).
