

PMBC Virtual Procurement Assistance

Sourcing Health & Human Service supply needs amidst COVID-19 outbreak

PURE MICHIGAN[®]
Business Connect

Health & Human Service providers: are you in need of critical supplies to help serve individual patients, staff, or members of your community?

Suppliers: Do you have goods that might be able to support organizations responding to the COVID-19 (Coronavirus) outbreak?

Pure Michigan Business Connect (PMBC) is looking for both buyers and suppliers of critical health & human service supplies across a broad range of product categories.

HIGHLIGHTS

- List your company's supply needs and/or capabilities on a free statewide matchmaking platform.
- Access virtual introductions to vetted businesses within the state to source critical supplies and products.
- Support neighbors in need, while helping generate new business within Michigan.

EXAMPLES

Potential buyers could include:

- Childcare Facility
- Community Center
- Educational Institution (K-12/Post-Secondary/College)
- Food Distribution Center
- Healthcare Facility
- Homeless Shelter
- Municipalities/Government
- Non-Profit
- ...and more

Potential items to supply could include:

- Cleaning supplies
- Equipment
- Food
- Medical Devices
- Paper products
- Pharmaceuticals
- Testing Supplies
- Textiles
- Vitamins
- Water
- ...and more
