

# Medical Design & Manufacturing (MD&M) West Expo

Anaheim, Calif.

April 12-14, 2022

Join the Michigan booth at MD&M West 2022 and connect with med device tech companies from around the world. MD&M West features products and components from throughout the medical device supply chain, as well as adjacent technology and markets to include automation, robotics, engineering and design, and more.

**The Michigan booth can accommodate six to eight exhibitors.**

## WHY ATTEND?

- MD&M West is one of North America's premier medical device exhibitions, offering unique opportunities to connect with buyers and develop national and international business.
- Advantageous booth location in the medical device pavilion.
- This show gathers 45,000 med tech professionals and leading medical OEM suppliers together to provide immediate hands-on access to the tools needed to accelerate new devices to market, all in one convenient location.

## AREAS OF FOCUS

Products and components from throughout the medical device supply chain, including more than 1,400 cutting-edge suppliers showcasing the latest solutions in:

- Contract manufacturing
- Manufacturing equipment
- Automation
- R&D
- Medical device components
- Advanced materials
- And more

## MICHIGAN BOOTH

- Visibility in the main Medical Device Pavilion.
- Exhibiting companies will receive access to individual kiosk spaces where they can choose to share company assets.
- Internet connection and power accessibility.
- No cost to reserve space within the Michigan booth.

## SPACE IS LIMITED, CONTACT US NOW!

Companies with an intent to increase international sales may be eligible to receive up to 75% reimbursement for travel and other eligible expenses through the [Michigan State Trade Expansion Program \(MI-STEP\)](#). This option is open to show exhibitors and visitors. Please contact your [International Trade Manager](#) for more information and to apply for grant reimbursement.
