

Arts in Education Final Report Instructions

The Arts in Education (AIE) Grant Agreement with MCACA requires the final reporting of grant activities. Review these instructions carefully regarding the specific grant reporting requirements. The grant report is used by the Council for grant agreement monitoring, project evaluation and research. Final grant payment will not be processed until the required grant report is received and approved. The content of the grant report should reflect all programmatic activities that occurred during the grant cycle and a financial statement reflecting the grant, matching funds and corresponding expenses, in accordance with your grant agreement.

Final Report Checklist

Before you start completing the required report in eGrant:

- Do you have the eGrant login and password for the account?
- Do you know the grant award amount?
- Have you credited MCACA on your website or accompanying project materials?
- Have you read these instructions thoroughly?

If the report is not completed and submitted by the due date, you will be asked to return funds. Also, until the report is received, future awards by the Michigan Council for Arts and Cultural Affairs will not be processed. If you have questions, please contact program manager Chad Swan-Badgero at 517-241-6747, or badgeroc@michigan.org.

PLEASE NOTE: The sample itemization has an additional column in Expenses, “MCACA Dollars.” You must indicate where the MCACA grant funds were spent in this column.
