Grant Overview

The MACC Partnership Grant Program invests in strategic external collaborations to expand Michigan's creative sector. By funding organizations that deliver specific programs and specialized resources beyond MACC's direct scope, this grant strengthens local creative ecosystems and ensures arts and culture thrive across the state.

Designed to be flexible and responsive to the Council's core mission and values, total grant allocations are determined annually by the full MACC Council during the budget approval process. The MACC Council directly reviews all applications and selects awardees.

Organizations applying for MACC Mission Support or Experience Support grants are ineligible for the Partnership Grant Program, and vice versa.

A non-refundable \$10 application fee is required upon submission. Applications submitted without this fee will be deemed ineligible for FY27 funding.

All awarded funds must be expended within the grant period of January 1, 2027, to December 31, 2027.

Limit of One Grant Application Per Organization.

There is no cash match requirement for this program.

Eligibility Requirements

All Partnership applicants must meet each of the following requirements below. Examples of correct information/documentation are referenced throughout this section and will appear in the Appendix. Incorrect documentation will result in the disqualification of the application.

1. The applicant possesses a valid Employer Identification Number (EIN) and is in good standing with the federal government, including being current on all required federal filings. MACC will use an IRS validation tool to verify the applicant's standing with the IRS. Applicants are not required to upload their 990 documents.
 - Information about the EIN, including what it is and how to obtain it, can be found on the [IRS EIN](https://www.irs.gov/businesses/employer-identification-number) (https://www.irs.gov/businesses/employer-identification-number) webpage.
2. The applicant possesses a valid Unique Entity ID (UEI) from the federal government, and the UEI is set to "public viewing" on SAM.gov. It is 100% free to obtain and maintain a UEI; organizations do not need to pay any outside party to manage the UEI process.

- UEs can only be obtained from [SAM.gov](https://sam.gov/) (<https://sam.gov/>) website. More information can be found on the [UEI Entity Registration](https://sam.gov/entity-registration) (<https://sam.gov/entity-registration>) webpage.

3. The applicant is physically located (headquartered) or provides (or will provide) arts and culture programs/projects/services in the state of Michigan that are open to the public.

4. The applicant has completed a MACC Accessibility Self-Evaluation document. The self-evaluation document provides an overview of the organization's staff, programming, and facilities to assist an organization's compliance with the Americans with Disability Act.

- [MACC Accessibility Self-Evaluation for Partnership Grant Applicants](https://www.michiganbusiness.org/globalassets/documents/macc/macc-accessibility-self-evaluation-for-exp-support-fy26.pdf) (<https://www.michiganbusiness.org/globalassets/documents/macc/macc-accessibility-self-evaluation-for-exp-support-fy26.pdf>) is available as a pdf to download.
- Additional information about MACC and the ADA is available on the [MACC Accessibility](https://www.michiganbusiness.org/industries/macc/accessibility/) webpage (<https://www.michiganbusiness.org/industries/macc/accessibility/>).

5. Michigan Nonprofit applicants are properly registered as an active nonprofit organization with the Michigan Department of Licensing and Regulatory Affairs (LARA) and has completed its required 2025 or 2026 LARA Annual Report filing. An example of the required LARA Annual Report is included in the Appendix. The annual report PDF must appear exactly like the example shown in the Appendix of these guidelines.

- As of June 2025, all organizations must now file LARA Annual Reports online at the [MiBusiness Registry Portal](https://mibusinessregistry.lara.state.mi.us) (mibusinessregistry.lara.state.mi.us).
- To obtain a free PDF copy of an applicant's 2025 or 2026 LARA Annual Report, either log in to the organization's MiBusiness Registry Portal account or perform a search at the link [MiBusiness Search](https://mibusinessregistry.lara.state.mi.us/search/business) (<https://mibusinessregistry.lara.state.mi.us/search/business>).

NOTE: IF THE APPLICANT SUBMITS A 2025 LARA ANNUAL REPORT AND IS AWARDED FUNDING, THEN A STIPULATION TO SUBMIT A 2026 LARA ANNUAL REPORT WILL BE ADDED TO THE GRANT AGREEMENT AND GRANT FUNDS WILL NOT BE DISBURSED UNTIL MACC RECEIVES THE 2026 LARA ANNUAL REPORT.

6. The applicant is registered with the Michigan Department of the Attorney General (AG) Charitable Trust Division. To meet this requirement, the applicant must: (1) maintain an active solicitation registration to legally solicit/receive charitable donations in the State of Michigan and (2) have an active public listing on the AG's searchable charity database. Applicants will upload a PDF copy of the organization's public listing to prove it has met both requirements.

- **To find and download a copy of the organization’s public listing**, perform a search on the AG’s [Charitable Entity Search](https://www.michigan.gov/consumerprotection/charities/charitable-organizations) (<https://www.michigan.gov/consumerprotection/charities/charitable-organizations>) and save a copy of the organization’s full public listing as a PDF.
 - The public listing PDF must appear exactly like the example shown in the appendix of these guidelines.
 - In the “Solicitation Registration Status” section of the public listing PDF, it must show “Registered” and have an active expiration date (not expired) at the time of MACC application submission. Pending renewals are not accepted.
- More information on the solicitation registration requirements is available on the AG Charitable Trust Division webpage: [Consumer Protection Charitable Organizations](https://www.michigan.gov/consumerprotection/charities/charitable-organizations) (<https://www.michigan.gov/consumerprotection/charities/charitable-organizations>)
- Some MACC applicants may be exempt from the solicitation registration requirement and therefore will not register or have a public listing. To become officially exempt, the organization must apply for the exemption with the AG Charitable Trust Division and will receive a formal letter granting the exemption. A copy of this letter should be uploaded in the MACC application in place of the public listing PDF. More details on the exemption process can be found at the Consumer Protection Charitable Organizations link above.

SEND ASSURANCES: Once all other sections of the application are completed and the Authorizing Official is added, applicants should click the green "Send Assurance" button located at the bottom of the screen. This action will send an assurances document, along with a PDF copy of the application, to the Authorizing Official via email through DocuSign.

****Note:**** If the Authorizing Official does not see the DocuSign email, please check the Spam or Junk folder. If the email still isn't found, contact MACC staff for assistance.

The application is considered fully submitted only after the Assurances document has been signed by the Authorizing Official. This signature must be obtained before the grant deadline. Applicants can verify if the Assurances document has been properly signed and whether the application has been submitted. To do this, go to the Grantee Homepage, find the section labeled "Monitor Applications in Progress," and click on either "Draft Applications" or "Submitted Applications."
