\*Authorized FTE levels are not necessarily fully funded within the corresponding line item appropriations.

\* This report includes civil service, and non-civil service employees funded from state appropriations. MEDC corporate employees are included due to the MEDC providing administrative services for MSF programs, which the MSF reimburses the MEDC for.

\* Actual Civil Service employees on this date totaled 119. This includes seven (7) limited term employees.

\*\* For Job Creation Service (interlocal) and Business Attraction and Community Revitalization Work Projects the boilerplate appropriations comments are reported in the primary appropriation.

\*\*\* The 21st Century Jobs Trust Fund Programs have no authorized FTEs; however, MCL 125.2088b allows not more than 4% of the annual appropriations may be used for the purposes of administering these programs.
