

Michigan Economic Development Corporation
Transformational Brownfield Redevelopment Projects
Financial And Underwriting Analysis

RFP-CASE-386803

Questions and Answers

- Does this RFP supersede any current contracts for “Transformational Brownfield Redevelopment Projects - Financial and Underwriting Analysis”? If a consultant is already prequalified under a previous contract for “Transformational Brownfield Redevelopment Projects - Financial and Underwriting Analysis” services, is it required that the consultant responds to the current RFP for "Transformational Brownfield Redevelopment Projects- Financial and Underwriting Analysis"?
 - Response: The RFP does not supersede any current contract and a consultant already prequalified under a previous contract is not required to respond. Responses to this RFP will allow the MEDC to have more than one consultant available to support the TBP program.
- In Attachment A (Independent Price Determination and Prices Held Firm Certification), in the paragraph preceding “Prices Held Firm,” there is reference to an “Attachment B.” Could you please clarify that “Attachment B” is in fact referring to Attachment A?
 - Response: Yes. Any reference to Attachment B is a mistake and should be understood to be in fact Attachment A.
