

Q&A	
RFQ-CASE-371540 MTRAC Innovation Hub	
Question	Answer
Are there budget constraints for YR2 given that the 2024 budget is not yet approved?	Currently there is only funding for the 2023 fiscal year. We anticipate future year funding to support the MTRAC Program, however, all grant agreements will include a termination of funding clause that would permit the MSF to terminate the agreement by providing written notice to the grantee of such termination of funding.
